COLLECTING LIQUID RUBBER ON FIRESTONE PLANTATIONS IN LIBERIA

THAT'S WHY YOU GET MORE FOR YOUR MONEY IN FIRESTONE STANDARD TIRES

FIRESTONE builds a first-quality tire made of top grade materials and sells it for less money because Firestone passes savings along to you in the form of extra values. Firestone controls rubber and cotton supplies at their sources, manufactures with greater efficiency and distributes at lower cost. Because of these economies you get —

PROTECTION AGAINST BLOWOUTS—8 extra pounds of rubber are added to every 100 pounds of cord by the patented Gum-Dipping process.

PROTECTION AGAINST PUNCTURES—because under the tread are two extra layers of Gum-Dipped cords.

PROTECTION AGAINST SKIDDING—because the tread is scientifically designed.

LONGER NON-SKID MILEAGE—because of the extra tough, long-wearing tread.

Make your car tire-safe now for fall and winter driving. Join the Firestone SAVE A LIFE Campaign today by equipping your car with a set of new Firestone Standard Tires — today's top tire value.

DON'T RISK YOUR LIFE ON SMOOTH WORN TIRES!
DO YOU KNOW
THAT last year highway accidents cost the lives of more than 38,000 men, women and children?
THAT a million more were injured?
THAT more than 40,000 of these deaths and injuries were caused directly by punctures, blowouts and skidding due to smooth, worn, unsafe tires?

Section of smooth, worn tire which is susceptible to punctures, blowouts and skidding.
Section of new Firestone Tire. Note protection against skidding, punctures and blowouts.
