Junior Order Sponsors Two Statewide Contests

Victor R. Johnson of Pittsboro, state councilor, announces that the State Council Junior Order United American Mechanics of North Carolina will sponsor an original oratorical and original essay contest on the subject of Americanism; the oratorical contest open to every senior high school boy and the essay contest open to every senior high school girl in the state.

He says that the state council will give a medal to the boy delivering the best oration and a medal to the girl delivering the best essay in each of the 28 districts in the state. There will then be given a tuition scholarship to the boy who delivers the best oration and the girl who delivers the best essay in the final or statewide contest. Said scholarships are for the 1938-39 scholastic year and have been donated by the University of North Carolina and Meredith college respectively.

The preliminaries to select the representatives for each of the high schools will be a public contest open to every high school senior and will be held on November 11 in the different high schools.

These winners will compete in a public contest to be held at some central point in each of the 28 districts of the state on Tuesday before Thanksgiving, November 23. Each winner in the oratorical contest and essay contest in the 28 districts will be given a medal. On February 22 the winners of the 14 districts in the eastern part of the state will have a public contest in

their daughter, Miss Betty Leach, who will attend Cecil's Business college this year, and by Miss Nora Leach.

an eastern city nearest the center of this territory and on the same day the 14 districts in the western part of the state will in a city nearest the center of that territory have a public contest.

The winner in the oratorical and the winner in the essay contest in the 14 eastern districts and the winner in the oratorical and essay contest in the 14 western districts will compete for the final award, which will be a tuition scholarship, at the next state council of the Junior Order United American Mechanics to be held in Charlotte on the 23rd day of August, 1938.

The contests will be judged on composition, memory and delivery and by three disinterested judges.

Mr. Johnson says that the Junior Order which has always fought for public education and the principles upon which our great government was builded, realizing the need of greater training in public speaking and the perils which face our government, think this a good opportunity to acquaint the public with these dangers and to develop self expression.

CARD OF THANKS

To our friends and neighbors who helped so greatly and were so kind to us during the sickness and death of our dear husband and father, we desire to extend our heartfelt thanks, and we assure them that their thoughtfulness will never be forgotten.

Leatherman Reunion Next Sunday

The Leatherman reunion will be held next Sunday at the home of Mr. and Mrs. Alex Ammons on Ellijay. All members of the family are invited to attend.

Mother—Now Janey, be a nice girl and give your little brother part of your apple.

Janey—Not me, mother. That was what my Sunday school teacher said Eve did to Adam, and you know how she's been criticized ever since.

Guernsey Show

To Be Held In Franklin Saturday, Oct. 2

On Saturday morning, October 2, at 10 o'clock, at Brown's barn on Palmer street, the second annual 4-H Guernsey show will be held. Indications are that the show will be much better than it was last year. There will be more entries of better type and quality Guernsey cattle. The three classes will include calves six months old to cows three years old and over. In each of the three classes there will be three cash prizes of \$5 first, \$3 second and \$2 third. The grand champion prize will be a pure bred Guernsey heifer calf.

The outstanding calves, according to the placings of the judge, will be taken to the 4-H dairy show at Asheville which is to be held on October 8. A large amount of cash will be involved in this show and it is so arranged that each county will get some of the money.

If there are any boys or girls

in the county who have a good Guernsey calf, heifer, or cow and has not yet entered it in the show, this entry should be made at once.

Every one who is interested in dairy cattle should attend this show and see the type of cattle that is being grown in the county.

A group of individuals have arranged to have a colt show on the same date, time and place as the cattle show. There will also be cash prizes given to the winners in this show.
