Macon County Home Demonstration Agent

MRS. O'NEIL GIVES RADIO TALK FROM RALEIGH

The following radio talk was recently given by Mrs. T. J. O'Neil from Raleigh during the recent meeting of farm and home agents. The subject of the talk was, "How Macon County Women are Meeting the Opportunity Provided by Tourist Trade."

Opportunity is at last knocking at the door of the mountain counties of North Carolina, opportunity in the guise of tourists and in the form of home demonstration clubs. How fortunate that the two developed simultaneously!

Until a very few years ago, the mountain people were practically buried, especially during the winter. The last two years have brought forth graveled roads, scenic highways, national parks, picnic grounds, game reserves, fishing and hunting areas and these material things have in their turn attracted tourists.

With the advent of more and more tourists has come the opportunity for the people of the mountain counties, who previously have had no money crop, to realize an income from rooms, cabins, meals, guides, crafts, country hams, shuck mats, evergreens, and other products of this section. Part of the answer to this demand has been met through the work of home demonstration clubs.

Realizing that home demonstration work, to be effective, should meet an urgent need, the women of the Macon County Council in planning the work for the past two and next three years, very wisely outlined a program which would enable the folks of this section to

attract tourists and supply the demand of visitors to our part of the state. The following objectives were set up: To beautify homes and gardens; to improve living conditions and provide wholesome, appetizing food and comfortable living quarters; through a curb market to supply the demand for produce, country hams, crafts and other mountain products; to acquaint our people with the history and scenic beauties of this section in order that they may have a common meeting ground on which to become acquainted with those who travel through our country.

The following will show a very few ways in which the home demonstration club program has done its part in meeting the demands of tourists. In one community on a highway, 15 homes have been painted inside and out during the past year, the yards have been landscaped, water has been put in six of these homes, new furniture and comfortable beds have been purchased and the women are ready for tourists. Seven of these homes were filled during the last summer. Through the curb market, organized for about a year, the women have taken in over \$2,000. Next year we will have more hams, jellies, crafts and other articles of interest to tourists. The women of Highlands make enough through catering and renting rooms to live on during the rest of the year, the season being of three months duration. One woman built an up-to-date laundry. Guides have been trained through 4-H clubs, caddies taught personality improvement. Mrs. Carl Slagle and the women who weave for her have supplemented their incomes through the sale of hand woven articles. Miss Annie Slagle took care of about 100 tourists during the last summer for periods varying from four days to one month. Many others met or beat this record. These women are home demonstration club women. They are blossoming out and coming into their own. Visit our mountain counties. A ready welcome awaits you.

SORE THROAT WITH COLDS Given Fast Relief

Take 2 Bayer Tablets with a full glass of water.

Crush 3 Bayer Tablets in 1/8 glass of water—gargle twice every few hours.

The speed with which Bayer tablets act in relieving the distressing symptoms of colds and accompanying sore throat is utterly amazing... and the treatment is simple and pleasant. This is all you do. Crush and dissolve three genuine Bayer Aspirin tablets in one-third glass of water. Then gargle with this mixture twice, holding your head well back.

This medicinal gargle will act almost like a local anesthetic on the sore, irritated membrane of your throat. Pain eases promptly; rawness is relieved.

You will say it is remarkable. And the few cents it costs effects a big saving over expensive "throat gargles" and strong medicines. And when you buy, see that you get genuine BAYER ASPIRIN.
