CHAMBER OF COMMERCE TO HOLD ANNUAL MEETING

The annual meeting of the Highlands Chamber of Commerce will be held in the school lunch room next Thursday evening at 7 p. m. The meeting will be preceded by an oyster supper to be served by a committee of ladies and for which a small charge will be made. It would greatly help catering arrangements if those intending to be present at the supper would notify the secretary, Rev. Frank Bloxham by Tuesday night. The meeting will follow the supper and reports of the year's work will be presented,

officers elected for the coming year and such other business transacted as shall be presented by any in attendance. All business men and interested citizens are invited to attend the meeting, and if you cannot come to supper, please drop in for the meeting later. The date is Thursday, March 3, the place, the Highlands school lunch room and the time, 7 p. m.

LIONS CLUB ORGANIZED FRIDAY NIGHT

During last week Mr. Barnett Napier, commissioner of the Lions International, was in town interviewing business men and others with a view to starting a Lions Club in Highlands. On Friday night a supper was held at Hotel Edwards and the organization of the Highlands Lions Club was completed. Election of officers was held and other business transacted. It was agreed that the club should meet on the 2nd and 4th Mondays of the month at 7 p. m. at a place to be decided later. The next meeting will be held about the middle of March and will be charter night for the club, at which time many visitors are expected from out of town. The officers elected last week were: President, O. F. Cummer; vice-presidents, W. H. Cobb, Jack Wilcox and F. B. Cook; secretary, Sidney L. McCarty; Lion tamer, Thad Smith; taitwister, Rev. R. B. DuPree; board of directors, Messrs. W. Hayes and Rev. Frank Bloxham. It is expected that the club will be a great asset to the com-

munity and a means of rendering service in countless ways.

B. Y. P. U. PARTY AT HOME OF MISS REESE

The B. Y. P. U. enjoyed a party last week at the home of Marveta Keese. There was a large attendance and all took part in competitive games for which prizes were offered to the winners. Mr. and Mrs. Paul Waldon won the first prize for having the "tackiest" hats. The regular meeting of the B. Y. P. U. was held on Sunday night at the Baptist church. The program was interesting and a large number of visitors attended the meeting to which everyone is invited.

SUNSHINE BAG SHOWER GIVEN BY MRS. CRUNKLETON

A sunshine bag shower was given by Mrs. Earle Crunkleton in honor of Miss Nannie Rogers, on last Friday afternoon, at the home of Mrs. C. C. Potts. Each guest brought a gift for the sunshine bag, which was taken to Miss Rogers, after the party, by the hostesses. Each day at a certain hour the honoree will take one package from the bag, until the last has been opened. Miss Nannie Rogers has been confined to her bed for several months. Following the presentation of the gifts a delicious salad course was served.

DEMONSTRATION CLUB HOLDS MONTHLY MEETING

The regular monthly meeting of the Home Demonstration club was held last Friday at the home of Mrs. Helen Thompson. The speaker of the afternoon was Mr. Finlay, agricultural teacher at the Franklin high school, whose subject was landscaping and the planting of shrubbery. Mr. Finlay explained the principles of landscaping and illustrated his talk with a chart. He also explained what shrubs would be appropriate for certain places around the house and yard. His talk was of great interest to the group present. Each person who will attend the next meeting, which will also be addressed by Mr. Finlay, has been invited to make a sketch of her particular yard if she desires suggestions in landscaping. The next meeting will be held on the third Friday afternoon in March, at the home of Mrs. Frank Bloxham, and anyone interested in the subject will be welcome.

P. T. A. TO MEET TUESDAY AFTERNOON

Word has been received of the death of Miss Bessie Ravenel, of Charleston, S. C. Miss Ravenel died on Sunday, February 20, at Baker Sanatorium, where she had been a patient for some time. She is well known to many Highlands people, having spent many summers at her former home here, which is now the Presbyterian Manse. She was a cousin to Misses Marguerite and Clare Ravenel.

The Christian Endeavor met at the usual time on Sunday evening at the Presbyterian church. Following the devotional period which was led by Tessie McDowell a program on Stewardship was presented by Steve Potts. The meeting continued with a study and discussion of the third Chapter of the Book of Revelations under the leadership of Mr. DuPree.

A benefit performance of the "Aristocratic Pigs" will be given on Monday night for the Methodist parsonage. This is a show which will be greatly enjoyed by young and old. The group consists of five performers, each of which excels in his own field. A free pass will be given to each first grade pupil in the school and other tickets may be obtained from the young people of the Methodist church.

Oil Industry Opposes Fuel Oil Tax

Introduction in congress of the Boland bill levying a one cent per gallon tax on fuel oil used for heating and power production has brought quick action on the part of the oil industry, which sees in

the bill a threat to millions of families.

According to W. Roy Carpenter, chairman of the Macon County Petroleum Industries committee, "The burden of the tax in this state would fall on the home owners of North Carolina. More than 10 per cent of them have already installed oil burners to obtain the comfort and economy of oil heat. The Boland bill would increase their annual fuel bill \$21 on the average, or nearly \$2 per month for each family using oil heat."

He pointed out that a cent a gallon levy in North Carolina would be in effect a fuel oil sales tax of approximately 12½ per cent (the average price in North Carolina being about eight cents a gallon), which is in addition to the three per cent sales tax already in effect on all fuel oil.

Not only would home owners be hard hit, he contended, but dwellers in apartment houses would be forced to pay increased rent because of increased cost of heating the buildings. Hotels, he estimated, would in many cases find their fuel bills increased as much as one-third.

"The proposal to impose a cent a gallon tax is not only a big step backwards, but is an imposition on the intelligence of the American people," he said.
