LIONS TO HAVE CHARTER NIGHT APRIL 11

The charter night of the Highlands Lions Club will be held at the Hotel Edwards on Monday night, April 11, at 7 p. m.

Some time ago the president, W. H. Cobb, appointed several committees to look after the details of the evening and these committees have put in such good work that the success of the evening is assured.

The program will feature group singing by the assembled members and guests, introduction of all charter members of the local club, visiting clubs and guests. The speech of the evening will be made by Hugh M. Monteith, of the Sylva Lions Club, who will also introduce the District Governor of Lions International.

The presentation of the charter to the Highlands club will be made by the district governor and the charter will be accepted by the club president.

The Lions Club has got off on a good start in Highlands and it is expected that it will prove one of the finest organizations in town for doing community work and really worth while things for humanity at large.

CHAMBER OF COMMERCE TO HAVE PUBLIC MEETING

A general meeting of all interested in the work of the Chamber of Commerce will be held at the town office on Tuesday, April 12, at 8 p. m.

As there are many things of vital interest to the welfare of the organization to be brought up a large attendance is requested.

Miss Mary J. Crosby and her mother, Mrs. Crosby, are expected to arrive this week from their home in San Mateo, Fla., to take up residence for the summer in their home here.

Mr. E. P. Roberts, of Atlanta, Ga., is at his home here on Lake Sequoia.

Mrs. C. E. Mitchell is in Westminster, S. C., where she underwent an operation for the removal of her tonsils on Monday.

C. F. Redden, Jr., returned to Highlands on Monday after a business trip to New York City.

Mrs. W. H. Cobb, Mrs. F. B. Cook, Miss Sarah Gilder and the Rev. and Mrs. R. B. DuPree were visitors to Asheville on Monday.

The Rt. Rev. R. E. Gribbin, Bishop of Western North Carolina, was a guest at the Episcopal rectory over the week-end.

Mrs. Henry D. West was a business visitor to Highlands this week.

A large number of Highlands residents participated in the motorcade organized by the forest service this week.

Employment Service Places 32 Men

J. D. Odom, senior interviewer with the state employment service, stated Monday that on that day he had filed 106 claims for unemployment compensation in Macon county, and had placed about 32 men with R. B. Tyler Co., road contractors.

Mr. Odom works out of the Bryson City office, and is in Franklin Monday and Tuesday of each week to list and place employees and to file claims for compensation.

Veterans seeking employment may register on special forms with Mr. Odom. The American Legion, A. R. Higdon, adjutant, is cooperating in this work.

Mr. Odom also stated that those who have heretofore been unable to file claims for unemployment compensation for the last quarter of 1937 and the first quarter of 1938, may now file, as the new quarter began on April 1.

He further stated that if the people would cooperate with him, he could furnish labor of almost any kind, either temporary or permanent, and asked that those needing extra helpers see him Monday or Tuesday of any week.

Catholic Services In Franklin

Father Howard V. Lane, of Waynesville, will conduct services for members of the Catholic faith in Franklin as follows:

Morning Mass on the second and fourth Sundays of each month in the American Legion hall on Main street, at 8 a. m.

Instructions for the children on the first and third Mondays at 4:15 p. m.

All are welcome to attend these services.

CORN ON THE COB

For five consecutive years 4-H Club boys on the farm of Mr. J. B. Kelly, Knox County, Tennessee, have produced prize-winning acres of corn. The yields are as follows:

1933 John Duggan	112 bu. per acre
1934 J. B. Kelly, Jr.	124 bu. per acre
1935 Hal Kelly	126½ bu. per acre
1936 Wallace Cresswell	116 bu. per acre
1937 Max Lee Mount	141 bu. per acre

This continuous high yield demonstrates intelligent farming and a sufficient use of the proper fertilizer. It also demonstrates a justified faith in the rainfall and growing seasons east of the Mississippi River.

We do not believe that this five year record could be equalled in any section of the United States except east of the Mississippi River.

EACH YEAR THESE BOYS USED 400 POUNDS OF BASIC O-TEN-FOUR FERTILIZER PER ACRE

See our dealer. He will furnish you data concerning the use of BASIC O-TEN-FOUR.
