

SQUARE CLOSED TO PEDDLERS

New Ordinance Bars All Peddling In Business Area Of Town

An ordinance was passed by the town board, at the regular meeting Monday night, prohibiting produce and fruit peddlers, or peddlers' trucks upon the public square or the business streets of the town.

The ordinance was passed after a petition had been presented signed by practically all of the business firms in the town.

The intent is to keep the public square free for parking, and also to do away with the trash and litter which comes from peddlers' trucks.

The board also voted to take up with the county commissioners a proposition to allow the use of the county lot on West Main street for Macon county farmers who bring produce to town for sale. No difficulty is anticipated in getting the consent of the commissioners to this plan, as it will be only for our own people and the lot has ample space and belongs to the county.

The matter of trash scattered on the square has been commented upon by many visitors, as well as by citizens of the town, and the new ordinance will no doubt meet with popular approval.

Republicans

Elect John E. Rickman As County Chairman

The Republicans of Macon county met at the courthouse in Franklin last Saturday afternoon and elected John E. Rickman as county chairman; Will Green, vice-chairman, and George Dean, secretary.

Precinct chairmen will be chosen at each of the 12 precincts in the county next Saturday, April 9, and on Saturday afternoon, April 16, the county convention will be held in the courthouse.

Hon. Vonno Gudger, Republican candidate for congress from this district, delivered an address before the meeting, which was listened to attentively by a large number of men of both parties.
