## TOWN OFFICIALS START CLEAN-UP WORK

In preparation for the observance of Clean-Up days, as designated by the mayor and town council, the town itself has started the good work by cleaning Main street, and hauling leaves and rubbish away from the Whittle lot on Main street. This is a great improvement in the appearance of Highlands and it is hoped that property owners and householders will follow suit and clean up around their own places.

room apartment will be added to the upstairs. Mr. Harvey Trice is finishing the house on the edge of Lake Sequoia. Mr. Bob King is doing some building at the Inn. Mrs. C. C. ## Lions Club Tribute To Rev. Frank Bloxham

The following expression of appreciation was unanimously adopted by the Lions Club of Highlands on the occasion of Mr. Bloxham's removal of his residence back to Franklin.

"The people of Highlands regret exceedingly that Rev. Frank Bloxham is returning to Franklin. They had come to feel that he was permanently established in the community, but alas, there is nothing permanent. Fortunately the 20 miles separating the two locations will be no hazard to his weekly trek to Highlands.

"He will retain his pastorate of the Episcopal church, and his offices in the Lions, Chamber of

Commerce and Red Cross.

"Highlands people have come to realize the value of keeping such a man in their midst. However, they feel that a return to the larger field is his just due. His bigness of spirit, generosity of soul and intelligent social outlook will be sufficient for all of Macon county. He has our affection and best wishes in his work."

## Singing Convention At Sugarfork Sunday

The fourth Sunday singing convention of the Southern division of Macon county will be held at the Sugarfork Baptist church on Sunday, April 24, announced Ben E. Gibson, president of this division. Classes are expected from various
