MUMPS KEEPING CHILDREN FROM SCHOOL

Due to the occurrence of four or five cases of mumps in the vicinity of Highlands, some parents are keeping their children from school. This practice has produced a decrease in the school attendance, which, if continued, may cause the Highlands school to lose a teacher for the next school year.

A certain attendance average must be maintained. The diphtheria scare in this district last fall has already seriously lowered the attendance record, and any further decrease is very likely to cause the school to have one less teacher next year.

The incubation period of mumps is three weeks. Since there are only two weeks remaining of this school term, it seems advisable that all children continue their school attendance, unless they actively have the disease, in order that they may complete their work and advance in their grade. If a child contacts mumps now, it will be three weeks before the disease develops.

There is no cause for alarm over the occurrence of these few cases of mumps. The further spread of mumps may be checked if the precaution of catching in a handkerchief is observed. The family physician should be consulted as soon as the first sign or symptom of illness is observed.

PRESBYTERIAN YOUNG PEOPLE HOLD HELPFUL MEETING

A very helpful meeting was held on Sunday by the young people of the Presbyterian church in this presbytery. Delegates representing nine churches from Murphy to Asheville were present at the rally held in Highlands. The meeting was presided over by Clyde Plexico, Jr., vice-president of the organization. Jack Potts, of Highlands, welcomed the group and the delegate from West Asheville responded. Sidney McCarthy, of Highlands, led the devotional period. The Rev. J. A. Flanagan spoke on "Christ Everything, Everywhere," followed by reports of various conferences. Each local organization represented at the rally gave a brief report of its year's work. Mrs. J. C. Plexico, of

West Asheville, spoke to the group on "The Four Financial Objectives of the Young People for the Year, 1938-39."

At the close of the afternoon session a picnic supper was enjoyed at Lake Kanonah. Sandwiches, salad, cake, tea, and punch were served by the local Christian Endeavor. The meeting reconvened at 7 p. m. with a devotional period led by Boyd Underwood, a senior at Columbia Seminary in Decatur. Mr. Boyd is soon to take up work in Memphis, Tenn. Following the devotional the Rev. R. B. DuPree talked to the group on "Winning Youth Around the World," and the Rev. J. C. Plexico spoke on "The Meaning of Communion," which was followed by a communion service. The meeting adjourned with a benediction by the Rev. J. A. Flanagan. The next rally of the young people of the Asheville Presbytery will be held at Montreat during the young people's conference, June 9-14.

PLANS BEING PERFECTED FOR AIR MAIL WEEK

The goal for Highlands is 1,000 air mail letters during national air mail week, May 15 to 21.
