WAYAHSTREAMS OPEN JULY 2 TO 4

Permits Will Be On Sale At Arrowood On Open Dates

The streams within the Wayah Bald game refuge will be opened to fishing July 2, 3, and 4 under a special permit issued through a cooperative agreement between the U. S. forest service and the North Carolina department of conservation and development, it was announced today. Permits will be on sale at a checking station at Arrowood Glade on the open dates and the following restrictions will be enforced:

1. Fishing will be permitted with either natural or artificial bait, but not more than one hook to each lure. This does not mean that two or more lures cannot be used on one leader, but prohibits the use of treble or so-called gang hooks.

2. Size limit: Brook trout under six inches and rainbow trout under eight inches in length shall be returned immediately to the water with the least possible injury to the fish.

3. The daily bag limit for each permittee shall be ten (10) fish of any one or combination of species.

4. No permittee shall fish between the hours of sunset and sunrise, or in any portion of a stream posted as being closed to fishing. No fish taken under permit shall be sold or otherwise disposed of for commercial purposes.

5. The fee for each days fishing shall be \$1.00 per person. Each angler shall be required to have a state or non-resident daily fishing permit or a state, county, or non-resident fishing license in order to obtain a special refuge permit.

6. Each fisherman shall be checked in not earlier than 7 a. m. and out not later than 8 p. m. at the regular checking station at Arrowood Glade.

7. Upon checking out, each angler must register the results of his fishing at the checking station and return his permit or forfeit his rights for procuring future fishing permits.

All permits will be limited to streams on Nantahala forest land and private land which is under a cooperative agreement, within the refuge boundary. The following streams will be opened, in whole or in part: Wayah Creek, Arrowood Creek, Locust Tree Branch, Camp Creek and Rough Fork.

Arrowood Glade is located eight miles west of Franklin and may be reached by following U. S. Highway 64 for five miles and the Nantahala road three miles.
