Crowd Expected For Donkey Baseball Game

It begins to look like a capacity crowd will be on hand Monday night, July 4, to see the Donkey Baseball game played by the Nantahala National Forest Service and the Franklin Fire Department at the Franklin high school base ball park for the benefit of the Fire Department.

The game will begin at 8 o'clock p. m. and the admission will be 25 cents for adults and 15 cents for children under 12.

An added attraction will be the Donkey Derby which will be run just before the game. Local dignitaries have been selected to be the jockeys. The winning jockey will receive a beautiful hand painted, red plush pillow. The jockeys will be: Cleobelle Moore, Polly Welch, Lena Conley, Ruby Calloway, Grace Baird, Thelma Welch, Ada Belle Sherrill, Frances Ashe, and Ida Bryant.

The committee in charge of selecting the players for the Donkey Baseball game and the jockeys feel that they have organized two outstanding teams and a field of jockeys that cannot be surpassed.

All the players must ride donkeys but they get their feet on the ground once in awhile. (Needless to mention there are occasionally other parts of the players' anatomies on the ground.) It is when they are batting that the men get a rest from riding. However, as soon as the batter hits the ball he must get aboard a donkey to ride to first base.

The Bar X Ranch troupe of baseball donkeys are said to be in tip-top shape for the battle. The frisky little jenny, "Mae West", is said to be in particularly good shape.

"I KNOW FINER TOBACCO"

NO MISTAKE ABOUT IT—CAMEL BUYS THE FINER TOBACCO. THE PRICES THEY PAY TO GET IT PROVES WHAT I SAY. WHY, TIME AFTER TIME THEY'VE PAID ME MORE FOR MY CHOICE LOTS. THEY DID LAST SEASON TOO. I'VE SMOKED CAMELS EVER SINCE I LEARNED TO GRADE TOBACCO. MEN WHO GROW TOBACCO 'MOST ALWAYS GO FOR CAMELS

MARVIN L. SPEIGHT knows tobacco because he grows it

YOU can't tell the men who grow tobacco that all cigarettes are alike. Year after year, growers like Mr. Speight have seen Camel pay more for the best lots of their crops. And because they know Camel uses CHOICER, MORE EXPENSIVE TOBACCO, they say: "We smoke Camels because we know finer tobaccos make finer smoking." Try Camels yourself and see!
