

# FRANKLIN LOSES DOUBLE HEADER

Local Team Defeated By Clubs From Canton And Clarkesville

By SAM McBRIDE

Playing their first twin bill of the season, the local ball club met with a double reverse at the hands of the Canton and Clarkesville teams Sunday afternoon, the scores being 16-1 and 4-0.

The first game, a comedy of errors on the part of the Franklin team, was featured by three Canton homers. Clarkesville also collected a four-bagger.

The second game was by far the most interesting, with Clarkesville showing a complete reversal of form from that shown earlier in the season.

Batteries — First game, Canton, Moore and Reno; Franklin, Brackens and Berry.

Second game—Clarkesville, Elrod and Toddie; Franklin, Pittman and Phipps. Score by innings:

First game—

	R	H	E
Canton	322	020	106
Franklin	100	000	000

Second game—

	R	H	E
Clarkesville	013	000	048
Franklin	000	000	006

Next Sunday afternoon the local team will play a return game on the home grounds with the Wilkins Corner (Morgan Candy Co.) team of Asheville. A small admission fee of 15 cents will be charged to defray expenses.

The Franklin soft ball team lost to Sylva by a score of 8 to 5 last Friday afternoon on the local diamond. The soft ball team has booked several games for the near future and have promise of a fine season.

### Holly Springs Team Wins

The Holly Springs team seems to be making a much better showing this season than Franklin. On Sunday, July 31, the Holly Springs boys defeated East Laporte by a score of 7 to 0, and last Sunday they took a close game from Speedwell 5 to 4. They have also played Highlands twice, winning one and losing one.

### Old Timers Defeat Regulars

A team composed mainly of old timers who played ball in Franklin, 10, 15 and 20 years ago, went up against the regular Franklin team Wednesday afternoon and won the game 9 to 4. Only five innings were played on account of rain, but the old timers were in great form and would no doubt have increased their score if the game had gone the full nine innings.

## Rickman

### Reunion Held At West's Mill Sunday

The descendants of the late Rev. Merritt Rickman, in whose memory the Rickman reunion is held annually, gathered at the home of Mr. and Mrs. Robert Rickman, at West's Mill Sunday, with 95 of the descendants and 50 invited guests present.

The morning was spent in renewing old acquaintances. After a most delicious lunch spread in the shade of the beautiful pines, a short business session was held.

Samuel J. Murray, president, presided. Reports were made, and the minutes of the last meeting read. Frank I. Murray read a memorial in memory of the four descendants, Mrs. J. W. Rickman, of Leatherman; Thomas M. Rickman, of Canton; Claude L. Rickman, of West's Mill, and the infant of Mr. and Mrs. Earl Rickman, of Franklin, who have died since the last reunion.

The officers elected for the ensuing year were: Robert Rickman, president; E. O. Rickman, vice-president; Mrs. Frank I. Murray, secretary.

Short talks were made by the Rev. Norman Holden, John E. Rickman and R. R. Rickman.

Relatives were present from Swain, Jackson and Haywood counties.

The reunion will be held at the same place and date next year.

### HELPS HIS PUTTS

There is nothing orthodox about Leo Diegel's style of golf play as witness his "standing-sitting" putting style, demonstrated at the recent Professional Golf association's meet at Shawnee-on-Delaware, Pa. Diegel says his stance is the "most accurate method in the world. It isn't pretty to look at, I'll admit, but it's sound."

### Campbell-Cunningham Reunion August 21

The Campbell-Cunningham reunion will be held on Sunday, August 21, at the home of Mr. and Mrs. Lon Campbell. The descendants of both families are invited to attend and bring a basket of lunch.

## WORK PUSHED BY ASSEMBLY

Enabling Measures Will Be Pushed Through By Saturday

The special session of the general assembly met and organized Monday and proceeded at once to the business in hand.

A gag rule was adopted by both houses limiting the proceedings to the purpose for which the session was called.

Bills to enable the state, its counties, municipalities and sanitary districts to participate in the PWA building program, were introduced and are expected to be passed substantially as written.

Governor Hoey Wednesday made an allotment of \$2,200,000 from the highway funds for a road improvement program, and stated that he would ask for \$1,800,000 of PWA funds, so that the state would have \$4,000,000 to be used in eliminating flat curves and dangerous bridges and in widening narrow roads in the primary, or arterial, highway system.

The assembly is expected to finish its work and adjourn Saturday.

## Girl Bound Over On Stabbing Charge

Lucile Conley, 16-year-old negro girl, charged with the fatal stabbing of Booker T. England, young negro man, on the night of Saturday, July 24, was given a preliminary hearing before Justices George Carpenter and R. F. Henry last Friday and was bound over to superior court on a charge of manslaughter and put under \$500 bond.

The stabbing is said to have occurred during a fight in front of the Conley girl's home, where it is alleged England went with the intention of taking the girl out for a ride, and that he became incensed because her mother refused to let her go with him, and started the affray which ended in his death.

The case will be tried during the next term of court, which convenes on August 22.
