## "WE KNOW FINER TOBACCOES— WE SMOKE CAMELS"

JOHN T. BONE (left) knows tobacco because he grows it. He says: "From experience, I know Camel buys finer tobaccos. Camel bought my best lots last season. I smoke Camels because I know I'm getting finer tobaccos. Most planters I know smoke Camels for the same reason."

THE "THOUSAND CIGARETTE TEST." Before it comes to you, every Camel cigarette goes through rigid tests to make sure that it is a perfect cigarette—plump, firm, full weight—and that each Camel gives you the same matchless blend of finer, costlier tobaccos—Turkish and Domestic. Try Camels. You'll find them better for steady smoking.
