### NOTICE

Whereas, the needs of the Town of Highlands require that there be installed extensions to the existing water mains, enlargements of existing mains and other improvements to the water system of said town; and whereas, the Board of Commissioners of the said Town of Highlands has estimated the cost of said proposed water main extensions and improvements at not less than FIFTY THOUSAND DOLLARS; and whereas, the said Board of Commissioners of said town have applied to the Public Works Administration for a grant to aid in the building of said extensions and improvements to said water system; and whereas, if said Public Works Administration approve said grant the total cost to the Town of Highlands will be not less than TWENTY-SEVEN THOUSAND FIVE HUNDRED DOLLARS; and whereas, a statement of the debts and assessed valuation of the taxable property of the town has this day been presented to the Board of Commissioners and filed with the Clerk and is open for inspection; and whereas, the assessed value of property within the corporation limits of the Town of Highlands, as last fixed for municipal taxation is \$408,627.00; and whereas, the net outstanding debt of said Town of Highlands is \$3,585.00; and whereas, the net debt bears to the net assessed valuation 0.88%.

Now therefore, be it ordained by the Board of Commissioners of the Town of Highlands:

Section One: That there be issued by the Town of Highlands not more than \$27,500.00 water extension and improvement bonds, bearing interest not to exceed 4 per cent per annum; for the purpose of paying for the water main extensions and improvements in the Town of Highlands, said bonds shall be issued at such time or times as the Board of Commissioners of said Town may direct by resolution within three years after this ordinance takes effect. The time and place of payment, rate of interest and other details in connection with their issuance not inconsistent with this ordinance, shall be provided by the Board of Commissioners by resolution adopted prior to the issuance of said bonds, provided said bonds shall mature and be made payable after the date of the first bonds issued, the last of which shall mature and be made payable not more than thirty years from the date of the first issued bonds, and no such installments or series shall be more than two and one-half times the smallest prior installment or series.

Section Two: That the maximum aggregate principal of said bonds, as hereinbefore stated, shall be \$27,500.00.

Section Three: That a tax sufficient to pay the principal and interest of said bonds shall be annually levied and collected.

Section Four: That a statement of the debts of the municipality has been filed with the Clerk of the Town of Highlands and is open for public inspection.

Section Five: That this ordinance shall take effect when approved by the voters of the municipality at

an election as provided by law.

Section Six: That this ordinance shall be published once for two successive weeks after its final passage in the Franklin Press, a weekly newspaper published in the Town of Franklin. A notice shall be published with the ordinance in the form prescribed by Section 2944 of the Consolidated Statutes, with the printed signature of the Clerk appended thereto, stating the date the ordinance was passed and the date the same was first published. And further stating that any action or proceeding questioning the validity of said ordinance must be commenced within thirty days after its publication.

The foregoing ordinance was introduced on August 19th, 1938, and passed on the 26th day of August, 1938, and was first posted on the 29th day of August, 1938.

Any action or proceeding questioning the validity of said ordinance must be commenced within thirty days after its publication.

## THE WORTH OF PROFESSIONAL SERVICES

Our service to the living embraces many duties that may not be properly appreciated because they must be quietly, unobtrusively performed. The publicly-recognized high excellence of every ceremony we direct depends upon our efficient professional skill.

These professional services of a funeral director, who is qualified to serve, represent a special value of greater worth than is commonly realized. A reasonable charge for these services added to the price of funeral furnishings, transportation and other necessary items make up the total of funeral costs.

Our Advice Upon Funeral Matters Should Be Sought as Freely As It Is Given.
