DISTRICT GOVERNOR ADDRESSES LIONS CLUB

The Lions club held its regular meeting on Monday night at Hotel Edwards. The guest of the evening was District Governor Robert H. Cooke, of Shelby, District 31-N, of the International Association of Lions clubs, who delivered an address on Lionism. All Lions and their wives were present.

This club is sponsoring a boy scout troupe in Highlands. Rev. R. B. DuPree was elected scoutmaster, and Louis Edwards, assistant scoutmaster. The board of directors consists of W. A. Hays, Doyle Burgess, and Sidney McCarty. Plans are now being perfected and the organization expects to get under way immediately.

SATULAH CLUB HOLDS CALLED SESSION

The Satulah club met in a called session at the new club rooms in the Masonic hall on Wednesday, September 21. The meeting was presided over by Mrs. Carl H. Zoellner, president, and was for the purpose of outlining work for the winter, with a view to creating renewed interest in the club.

One of the matters voted on was a recreational evening once a week for the young people, consisting of music, etc., with at least one member of the club present on these evenings. It is hoped that the ministers of the various churches will cooperate with the club and with the young people in this movement. Among other things suggested were benefit suppers, benefit parties, and the organization of a sewing circle to meet once a week.

THREE ROADS NEARING COMPLETION

The Georgia part of the Tri-State road has been hardsurfaced, and will be open the last of this week. Grading has begun on the North Carolina part of this road and considerable dirt is being moved. When this is finished and hardsurfaced, it will mean an all-paved road from Highlands to Walhalla, which is our main outlet going south.

A large crew is at work on the Dillard road, and this highway is nearing completion, with the distance between Highlands and Dillard shortened by at least three miles. It is now possible to drive over this highway from Highlands to Atlanta in two hours and twenty minutes.

The old turnpike road from Cashiers and High Hampton to Walhalla is also being rebuilt. Approximately five miles of this road on the Cashiers end have been completed, and construction will begin on the remaining part at once. This road enters the Walhalla road near Mountain Rest.

BAPTIST CHURCH TO BEGIN REVIVAL SUNDAY

The Highlands Baptist church will begin a revival Sunday night, October 2, conducted by Rev. W. N. Cook, of Webster, assisted by the pastor, Rev. J. G. Benfield. Ed Powell, of Gastonia, will have charge of the music.

The Turtle Pond Union Sunday school was organized Sunday, September 18, by R. H. Hull, missionary of the American Sunday school union. Officers and teachers are: superintendent, Mrs. Wilson; assistant superintendent, Mr. Vinson; secretary, Miss Elbert McCall;

Last Sunday, September 25, there was an attendance of 30, and definite plans have been made towards putting up a building in which to meet. At present the Sunday school is meeting at the home of Joe Keener.

Mrs. Roger Smith, of Highlands, was present in the service Sunday and is much interested in the work in this needy locality. Rev. J. G. Benfield, pastor of Highlands Baptist church, plans to hold a preaching service after the Sunday school hour next Sunday, October 2.

DR. BRINKLEY'S MOVIE ATTRACTS CROWD

On Friday, September 24, the Highlands school theatre was filled to capacity for the showing of the seven reel movie of Dr. John Brinkley's 1938 vacation, with numbers of people unable to get seats.

Dr. Brinkley was introduced by Thad D. Smith, his boyhood friend and made a very interesting talk telling the school children that they should make up their minds to do things, and citing the lack of their own early educational advantage. At the close of the Doctor's talk Mr. Smith said, "It is not good the man should live alone," and presented Mrs. Brinkley, who spoke briefly. Mrs. Brinkley was followed by "Johnny Boy," who said he loved North Carolina, and especially Western North Carolina, because it was the birthplace of his father.

From an educational standpoint the picture was wonderful, and the scenes through the Panama Canal and the South Sea islands most enchanting. Our thanks go to Mr. Smith, who secured this picture for Highlands, and to Mr. Sumner, who so kindly gave the use of the theatre.

B. Y. P. U. CHANGES MEETING HOUR

The B. Y. P. U. opened its regular Sunday evening meeting in the usual order, with songs and prayer, followed by the lesson program, "A Cloud of Witnessing." Those taking part on the program were: Mrs. Pearle Potts, Sarah Walden, Mildren Littleton, Doris Potts, Carleton Cleaveland, and Mrs. Mack Pierson. The Juniors honored the Seniors with a special song, "Joy in My Heart," led by Mrs. Benfield.

Beginning next Sunday night the B. Y. P. U. will meet at 7 o'clock instead of 7:30.

Mr. and Mrs. J. Harvey Trice closed Tricemont Terrace on September 20, and were guests of Mr. and Mrs. Frank B.
