POTTS-STEPHENS

The marriage of Miss Mary Elizabeth Potts to B. A. Stephens was solemnized Tuesday evening, October 4, in St. John's Catholic church in Waynesville. The Rev. Father Barrett performed the ceremony in the presence of the immediate members of the family.

The bride wore a becoming fall model of wine-colored velvet with blue accessories, and her shoulder bouquet was formed of snapdragons and forget-me-nots.

Mrs. Stephens was graduated from Highlands high school in May, 1934, and entered St. Joseph's Infirmary in Atlanta the following September, taking the nurses' training course. She graduated from St. Joseph's in May, 1937, and since her graduation has done institutional and private work in Atlanta. She is the second daughter of Mr. and Mrs. J. E. Potts, of Highlands, and is a descendant of the Ammons and Pierson families, prominent in North Carolina.

Mr. Stephens is the son of Mr. and Mrs. W. G. Stephens, of Atlanta, and is a graduate of Marist college, class of 1934. He is a descendant of the Baya family of Havana, Cuba, and the Stephens family of California. Mr. Stephens holds a responsible position with the Ford Motor company in Atlanta, where the young couple expect to make their home. The best wishes of their many Highlands friends go with them.

POSTAL RECEIPTS GAIN 14 PER CENT

C. C. Potts, assistant postmaster, says the postal receipts for the first three-quarters of the year show a gain of about 14 per cent over last year. For the month of September, 1938, over September last year, the gain was about 30 per cent.

The Woman's Auxiliary of the Presbyterian church met in a special session on Monday, October 3, at the home of Mrs. Charles J. Anderson, to get the box of white cross hospital supplies they have been making, consisting of sheets, bandages, sponges, etc., ready to send to the district meeting which will be held in Murphy on October 15.

MR. AND MRS. RIDEOUT ENTERTAIN MONDAY

Mr. and Mrs. Harold Rideout entertained on Monday evening with a delightful party at their home on the Walhalla road, in honor of Miss Dorothy Wright, of Cincinnati, Ohio, who has been the guest of her sister, Mrs. J. E. Rideout and Mr. Rideout, for the past several months. Cards and other games were played, and a delicious sandwich supper, with Ritz crackers, deviled ham, hot tea, ice cream and cookies, was served by the host and hostess. About 30 guests were present.

SCHOOL NOTES

The second grade pupils are selling home-made candy to get instruments for a rhythm band. They are helping with their arithmetic by taking turns in selling, and are also being taught to make change. The children are very enthusiastic salesmen, and are learning to make announcements in the lunchroom as to the kind of candy they have for sale. It will take eight or nine dollars to buy enough instruments for each child to have one, the drums and cymbals being the most expensive pieces. These band instruments will be the property of the school, and will be used by each successive second grade as a part of the school's musical training.

The Parent-Teacher Association held their regular meeting on Tuesday, October 4. Getting the hot water tank installed in the lunch room is their main objective at present. Under the sponsorship of this association the rest rooms are being done over. The ceilings are painted white, the wainscoting green, and the cement floors a dark red. More modern plumbing is also gradually being installed. The lunch room supervisor, Mrs. Helen Thompson, recently purchased five dozen cups and saucers for the school with a \$5 donation given by Mrs. H. M. Bascom for this purpose. The lunch room was very much in need of these new dishes.

The sixth grade had charge of the chapel program last Friday, under the supervision of Miss Cynthia Moretz. After the Scripture reading and prayer, this grade gave the history of North Carolina. The state flag and state map were in the foreground. The program began with the state song, "The Old North State." This was followed by sketches of the early history of the state, the Revolutionary war, the War of 1812, the Civil War, and the development of the school system. The state's physical characteristics, agriculture, population, industrial growth, and highways, were depicted, and facts about Macon county, how the county was formed and named, the county site, etc., were briefly told. Those taking part on this program were Maxie Lee Wright, Nancy Potts, Edna Wilson, Freda Lee Mincy, Dewey Elrod, Fred Elrod, Roy McDowell, and Lewis Dendy.

A contest in multiplication, similar to a spelling contest, was held in the fifth grade last week. Mrs. O. E. Young gave a \$1.00 prize each to the boy and girl who knew the multiplication table best and stayed in the contest longest, and 50 cents each to the boy and girl staying in second longest. The first prize winners were Frank Wilson, of Broadway, and Barbara Zoellner. Second prize winners were Edith Bryson, of Sealy, and Edwin Norton. A spelling contest will be held this week and there will be awards for this also. This grade has a health campaign on, 17 pupils bringing milk for the mid-morning lunch on Monday.
