HALL-ROHRE

The marriage of Miss Carrie Mae Hall to Rev. Stuart McC. Rohre, of Port Lavaca, Texas, which took place Tuesday evening, September 13, in the First Presbyterian church of Franklin, is of interest here to many friends of the bride, who formerly lived in Franklin.

The bride, who entered with Dr. W. A. McLeod, wore a dark-brown tailored frock with hat to match and rust accessories and carried a huge arm bouquet of Talisman roses.

Watch Your Kidneys! Help Them Cleanse the Blood of Harmful Body Waste Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery. Symptoms may be nagging headache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength. Other signs of kidney or bladder disorder may be burning, scanty or too frequent urination. There should be no doubt that prompt treatment is wiser than neglect.
