Road Men Put To Work Monday Following 8-Day Layoff

WPA workers on farm to market road projects were all put back to work Monday morning after having been laid off since November 25. These projects employ more than 500 men, and it is hoped that the work will continue through the winter. There are approximately 350 men still out of work, but the forest service has several projects which will furnish employment for most of them and which are expected to be ready within the next few days. This work, when started, will probably continue for several months.

DEATH CLAIMS JOHN SEWELL

Owner Of Summer Hill Dies Suddenly At Miami Home

John Sewell, 71, who has been a summer visitor in Franklin for several years, and who owned the large residence on Summer Hill, died of a heart attack at his home in Miami, Fla., last Thursday.

Mr. Sewell was well known to most of the citizens of Franklin and had a host of friends in the community.

Mr. Sewell was sent to Miami by Henry M. Flagler 42 years ago to clear ground and start construction of the Royal Palm hotel, another in the chain of resort structures erected by Flagler and linked with the north by his expanding railroad.

Miami at the time of Mr. Sewell's arrival was a tiny fishing village and Indian trading post with a population of two families. His construction crew cleared away the mangrove and palm thickets on a tract of land between the Miami river and Biscayne bay and the big, wooden, yellow hotel went up.

It tells the story of two boys—ordinary, dirty-faced kids—who took opposite roads, one to the shadowy underworld, the other to the priesthood. This picture is packed with human interest, and is expected to draw a large crowd.

Dime Board Set Up For Christmas Fund

A. R. Higdon, adjutant of Macon county post of the American Legion, has prepared a dime board for the purpose of receiving contributions to help pay the expense of the annual Christmas tree for needy children of the county.

The board has been set up on the square to the left of the Ashbear building and is in charge of the Boy Scouts. A similar board last year brought in a neat sum.

Drop a dime on the board and help to make the children happy.

This Christmas tree, which is sponsored by the Legion and other organizations each year, is always looked forward to by hundreds of children in the county who otherwise would be among those whom Santa Claus forgot.

The Cowee basketball team defeated Holly Springs Saturday, December 3, by a score of 29 to 18.

HELP STOMACH DIGEST FOOD

Without Laxatives—and You'll Eat Everything from Soup to Nuts The stomach should digest two pounds of food daily. When you eat heavy, greasy, coarse or rich foods or when you are nervous, hurried or chew poorly—your stomach often pours out too much fluid. Your food doesn't digest and you have gas, heartburn, nausea, pain or sour stomach. You feel sour, sick and upset all over. Doctors say never take a laxative for stomach pain. It is dangerous and foolish. It takes these little black tablets called Bell-an for indigestion to make the excess stomach fluids harmless, relieve distress in no time and put you back on your feet. Relief is so quick it is amazing and one 50c package proves it. Ask for Bell-an for indigestion.
