

ADDITIONAL FRANKLIN SOCIAL ITEMS

Charles Davis, of Auburndale, Fla., spent Tuesday night with his parents, Mr. and Mrs. D. Robert Davis.

Harley R. Gabe, clerk of Macon superior court, accompanied by his father, J. E. Gabe, of Otto, and Carl Howard, left Wednesday for a week's trip to various points in Florida.

Mrs. Ruth Dart Smith, of Robinsville, and Miss Frances McCurry, of Asheville, have joined the staff of the area office of WPA and will be stationed in Franklin for some weeks on special assignment. They are occupying an apartment in the home of Mrs. J. W. C. Johnson.

W. F. Finley, agriculture teacher in the Franklin high school, accompanied by Mack Patton, Brownlow Addington and Albert Ramsey, Jr., three members of the Future Farmers of America of the Macon chapter, were delegates to the Smoky Mountain Federated chapter of Future Farmers of America, held in Waynesville Wednesday.

*Sweet potato production in 1938 was slightly larger than in 1937, although there was a sharp decrease in the Central Atlantic Coast states. Prices advanced seasonally in recent weeks.

Basketball Game At Rabun Gap Gym

It is announced that two basketball games between the boys and girls of the Rabun Gap-Nacoochee school and the Young Harris boys and girls will be played at the Rabun Gap gym. on Saturday, January 21, at 7:45 p. m.

Admission will be 10 cents and 25 cents, and a large crowd is expected to attend.

DIVERSIFIES

A. M. Frazelle of Richlands, Onslow county, has decided to add incomes from poultry, beef cattle and swine to his present income from tobacco. Recently he sold 175 capons in Philadelphia for 24 cents a pound. He bought a pure bred Angus bull with the money. He has 325 capons now three months old and will trade his grade cows for Angus heifers. Heretofore, Mr. Frazelle has depended upon tobacco alone, but he told his farm agent that such dependence is too risky now.

CONVENIENT

Sprouting of seed potato pieces can be prevented and started again at will, a plant scientist has discovered. Two high-sounding chemicals do the trick. Potassium naphthaleneacetate will check growth, but the spell can be broken with ethylene chlorhydrin, which causes a vigorous growth.

BULLET KILLS MACON WOMAN

Mrs. Ella Peterson Takes Own Life At Home In Asheville

Miss Mary Sanders received a message Thursday morning, January 12, of the death of her sister, Mrs. Ella Peterson, of Asheville.

Mrs. Peterson, a native of Franklin, was found dead in her bed at her home Thursday morning, from a bullet wound in her head, entering through the right temple. A .32 calibre pistol was found in her right hand, and a verdict of suicide was pronounced by the coroner.

The body was discovered by a small grandson of Mrs. Peterson's, after he had heard what he described as a "funny noise in grandma's room." Immediate friends of the family told officers that Mrs. Peterson had been despondent over financial affairs and ill health for some time.

Mrs. Peterson had a number of relatives throughout Macon county, who will deeply regret to learn of her passing.

Surviving are a daughter, Miss Thelma Peterson; a grandson, two sisters, Miss Mary Sanders, of Franklin, and Mrs. Alva Welch, of Childers, Texas, and one brother, Sam Sanders, of Bryson City.

WILL CAN PRODUCE

Farmers in Pasquotank, Perquimans and adjacent counties will grow 1,000 acres of tomatoes and 200 acres of Lima beans for a cannery at Cheriton, Va., this season. If the project with the beans is successful, it is expected that contracts for 10,000 acres of this crop will be let in 1940.

FIRE-RESISTANT

Where an extra high degree of fire resistancy in a frame structure is advisable, the use of zinc-chloride vacuum-pressure treated lumber is recommended. A blow torch can be turned on wood so treated, but will do nothing but char the wood with no after smoldering.

Church Services

St. Agnes Episcopal Church
The Rev. Frank Bloxham, Rector
4 p. m.—Evening prayer and sermon.

Baptist Church
Rev. C. F. Rogers, Pastor

Interesting Program At P.-T. A. Meeting

The Franklin Parent-Teacher association met in the high school auditorium on Monday afternoon at 3 o'clock for the regular monthly business meeting, with Mrs. John Wasilik, Jr., president, presiding. W. H. Finley, agriculture teacher in the Franklin high school, opened the meeting by using the Parent-Teachers prayer.

Following this a very enjoyable program was rendered by the pupils of the two fourth grades, under the supervision of their teachers, Miss Janie Brown and Miss Edna Jamison. The life of Benjamin Franklin was portrayed in his boyhood, his early manhood and as a citizen. His name was formed by a group of children, each bearing letters and defining the meaning of each letter. As was the word "Thrift Week" defined in the same manner.

Recitations, piano solos, and a short three-scene playlet, "Sir Galahad, The Spotless Knight," with King-Arthur and Knights of the Round Table, 20 years later, was also a part of the evening's program. This program showed that much time and consideration had been spent by the pupils, as well as the teachers, in putting on a program so thoroughly enjoyable.

The Rev. Frank Bloxham, rector of St. Agnes Episcopal church, made a very interesting talk on "Social Activities for Young People." Mrs. Helen Macon, a member of the high school faculty, gave a very instructive talk on "Legislation for Child Welfare," and of the fight that is being made to have 12 grades in the North Carolina schools, as well as the nine months' school term,

which is so greatly needed. A card party is being planned, to be held some time during the month of February, probably about Valentine's day.

The president appointed a legislative committee composed of Mrs. Kate Williams, chairman; Mrs. Helen Macon and Miss Olivia Patton.

At the February meeting an appropriate "Founders' Day" program will be observed. The topic for the meeting will be "Training for Home and Family Life," with Mrs. Hugh Leach, home economics teacher in the Franklin school, and Miss Josephine Dixon, county welfare nurse, being the principal speakers.
