DUVALL-FOUTS

A marriage of much interest to their Macon county friends was that of Miss Dorothy Gladys Duvall, daughter of Mrs. Hallie Duvall, Franklin, to Albert G. Fouts, Franklin and Spruce Pine. The wedding took place June 2 at Clayton, Ga.

The bride wore a white starched chiffon gown with a high neckline and puffed sleeves. Her corsage was of tiny white rosebuds.

The couple was accompanied by Mrs. Duvall and Miss Nell Duvall, mother and sister of the bride, and Mrs. Fred Smith and Mrs. G. T. Fouts, mother and sister of the bridegroom.

The bride's father was the late R. R. Duvall. For the past two years she has been a resident of Canton, where she is connected with the Imperial hotel. She is a graduate of Franklin high school.

Mr. Fouts is the younger son of Mr. and Mrs. G. T. Fouts, of Franklin, and now holds a position with the Nello L. Teer construction company of Durham. He is stationed at Spruce Pine.

After a brief wedding trip the couple will reside at Spruce Pine.

GARDEN CLUB SPONSORS CHILDREN'S PLAYGROUND

The Franklin Garden Club held a special meeting Monday afternoon at the home of Miss Mary Willis, the purpose of the meeting being to talk over the project of a playground for the children.

A community playground, it seems, has become a necessity, and it has been decided that three swings and a couple of benches will take care of amusing the children.

The lot chosen for the playground is between Kelly's Gift Shop and Thomas' store. Consent has been given for the lot to be used, and with such a splendid opportunity within grasp for keeping the children of Franklin from playing on the streets, the Garden Club is more than willing to cooperate with the people who are to buy the equipment for the project.

"I thought I knew
all about automobiles!"

A LOT of folks have had their eyes opened wide by a ride in a 1939 Ford V-8. They just didn't realize how much more value and how many improvements we've put in this car the last few years.

Today's advanced Ford is a product of progressive engineering, fine materials and honest

construction. It is backed by an experience of building far more cars than anybody else in the world.

One ride in today's Ford — with its smooth 8-cylinder engine, stabilized chassis, hydraulic brakes — will prove it's the modern car in the low-price field.
