

DERBY NEARS FINISH LINE

(Continued from Page One) happen in any one's life time, and I hope her baby will act as cute as mine." Joe Bob Westmoreland, Canton, N. C., first prize winner and his mother visited the Derby office at Marion. Joe Bob saw the loving cup in the window and started raving about "we had his cup." Mrs. Westmoreland had to take him back to her car and show him his cup before she could get things amicably adjusted. Parents, now it is up to you entirely whether you will experience this feeling—whether your darling will be the proud possessor of this cup which will last him or her for a life time.

This Derby is going to be a fast and exciting battle of "miles" and remember folks, you can help your favorite win by asking for coupons from the cooperation merchants and by subscribing to The Franklin Press or extending your subscription to The Franklin Press—you can give him or her a real boost by giving a 5-year or 10-year Franklin Press subscription.

Candidates: Make every minute count during these next few days. Remember, that \$200 and loving cup belongs to you, today, just as much as it does to anybody entered in the race—remember, too, that there is a difference, in value of \$100 and a loving cup between first and second prize.

On the Honor Roll will be found the names of the babies and their relative standing for last week—THE ONE THING that this announcement does not show is THE CLOSENESS OF THE RACE. Another Honor Roll will be published next Monday. Coupons and Franklin Press subscriptions are worth double value this week what they will be worth next week. \$25 special cash prize is offered for the most subscription money reported this week.

One candidate working in our Baby Derby said last week that all the ground had been gone over and every prospect had been seen and it was impossible to do anything more with subscriptions. But she was mistaken. One of our former campaigns was won by getting subscriptions in the closing few days at a time when all the workers but two were saying there could be nothing more done. These two took first and second prizes and did it on the home stretch. The same situation always exists and exists right now in our Baby Derby.

An "extension" is a second subscription payment from some one who has already subscribed from some parent. The credits allowed on these are higher than any other kind of subscription. Here is how it works. Let us suppose a person who gave a 1-year old or new subscription during the first period now gives another year. Instead of getting 120 miles, you get 210 miles and here is why. You received 180 miles on the first year. Had the two years you finally received been given at one time you would have received 390 miles—or 210 miles more than you were given on the one year. Then the 210 mile difference is due you.

Let us suppose you got a 1-year old or new subscription. That gave

you 180 miles. If that person took the other four years to make a total of five years, you get 1,020 miles or the difference between 180 and 1,200, the latter being the mileage allowed on a new or old 5-year subscription during the first period. NINE more years from the same person would give you 2,820 miles. And 1000 miles bonus for \$15 worth of subscriptions. Be sure and mark your "extensions."

GIRL SCOUTS TRAINING DAY

Miss Helen Gillard, of Atlanta, Ga., member of the Field Division of Girl Scouts and camping advisor of Region 6, met with the leaders, assistants, and troop committee members of the Girl Scout troops of this district on Thursday (today) at their camp above Arrowood Glade, for an all-day school of instruction. This district includes Macon, Swain, Graham, Clay, Cherokee, and Jackson counties.

Invitations had been sent to the following troops in other districts: Blue Ridge, Ga., Clayton, Ga., Liberty, S. C., and Tamassee, S. C. Invitations had been extended also to the mothers interested in scout activities.

Leaders of the Franklin Troop and committee members were hostesses for the day.
