If you desire to help your friend's baby in the Baby Derby to win one of the big awards, give that friend your subscription NOW! If you have promised someone, make that promise good; they are depending on your support. They can't win these prizes with promises; it takes "MILES" to win and lots of them. Every candidate needs every mile he or she can get. If you are already a subscriber, you may renew your subscription up to 10 years or send a friend a few years new subscription. Are you asking for Baby coupons from the cooperating merchants?

The Sixth Honor Roll

POSITION THIS WEEK AND POSITION LAST WEEK

This race for Honor Roll positions was a hard fought one. This is the week that tells the tale. The babies who come through in good fashion this week will be the favorites to win, for on Saturday night the second period ends. In other words coupons and subscriptions are twice as valuable this week as they will be the last week of the Derby. Secure every subscription that has been promised. This is not the week to "rest up!" A special cash prize of \$25 is offered for the most subscription money reported this week---ending July 1.

10 Days More of Baby Derby

Candidates, do you realize there are ONLY EIGHT MORE WORKING DAYS of this BABY DERBY? Do you realize that in 10 days one of the babies is going to get \$200 and a silver loving cup? And 29 other babies will receive cash prizes.

YOU, candidate, have as good a chance to win \$200 and loving cup as anybody, but it means hustle, hustle. Any baby on the list can, by a burst of speed, lead the next Honor Roll. What will you do the remainder of this week? These are the days that test the resourcefulness and the gameness of the worker. These are the days when confidence and courage upholds one and makes one fight or the lack of this attribute leaves one doomed and disappointed.

No one has won the \$200 and loving cup yet, not by any means, and while heading the Honor Roll is a position always to be coveted, there is still opportunity for any worker to overtake the leaders and entirely change the complexion of the race. So the big warning to candidates is: Don't slack your pace, but hustle, hustle, hustle!

The hard part of the campaign is just now starting, the part that will test your mettle and try your courage, but oh, what a reward for the winner. There are 10 days to decide the winners. And it means work to the candidate who expects to win the \$200 and loving cup. Whether you will be happy or disappointed depends entirely on what you accomplish between now and July 8th.
