

COME UP TO HIGHLANDS

**"The Roof Garden of the Southeast"
Air Conditioned By Mother Nature**

Upper Cullasaja or Dry Falls

HERE, high in the Blue Ridge, you will find greater incentives to live and enjoy life - beauty on every side, exhilarating climate, unsurpassed recreational facilities - everything to make life happy. Highlands has the charm of seclusion from the bustling world - yet it is easily accessible and affords the conveniences of a large city. An ideal place, indeed, to spend a day or a lifetime. For detailed information write the Highlands Chamber of Commerce.
