Franklin Wins

Thrilling 3 to 2 Victory Over Walhalla

A looping double down the right field foul line by Pitcher "Dub" Nichols drove in Phil McCollum with the winning run in the last half of the ninth inning of Franklin's thrilling 3 to 2 victory over Walhalla Sunday afternoon, Nichol's scoring hit came as a climax to one of the finest games ever played on the local field and was a fitting finish to a great game which was featured by two tremendous throws from deep left field by "Fig" Newton, Franklin fielder, which cut off two Walhalla counters at the plate.

Franklin broke the ice in the first of the 6th inning when Archer got on and advanced on a sacrifice. He then came home on 'Old Hoss" Duvall's Texas Leaguer back of second base. Walhalla came right back in their half of the inning to draw ahead on a single, an error and Rackley's ground rule double over the short left field fence. Franklin again tied up the score in the 7th when McCollum came riding home on Duncan's ground rule double over the same left field wal. Then came Newton's sensational throws in the first half of the 8th and 9th innings when Walhalla base runners failed to realize the potency of his arm. Both times found men on second and third and attempts were made to score from third after catches in deep left. On both occasions the runners were caught at the plate on deadly accurate throws.

To open Franklin's half of the 9th Sutton beat out a slow infield roller. The fleet McCollum was sent in to run for him. Then came Nichols' pay-off blow to right and the game was over.

Next Sunday afternoon Franklin meets the Asheville All Stars in a double bill at the Franklin high school field, Playing with the Asheville team will be "Chuck" Russell and Leo Manley, former Franklin stars. In view of the excellent ball being played by the local club a large crowd is ex-

Meeting Next Tuesday Night; Information **Booth Started**

The interest and enthusiasm shown at this meeting has promoted the calling of a general meeting in the courthouse next Tuesday evening, May 7, at 2 o'clock to which all citizens are invited.
