Demonstration Clubs Report May Activities

By MRS. FRANK BLOXHAM

The 14 home demonstration clubs in the county held their regular meetings as usual, during the month of May. In the Allison-Watts community a meeting was held to plan for an organized club. This is to be an extension of the Cartoogechaye club with the leaders assisting or relieving the home agent in carrying on the work each month. No member of the group attending this meeting had ever participated in any home demonstration work.

At the regular meetings of the clubs the health leaders used material furnished by Mrs. Jim Perry, county chairman for the American Society for Cancer Control. Following the talk by the health leader an open discussion was entered into by the members.

Mrs. Robert Gaines, the county nurse, attended the Sealy club where she led the health discussion and explained the new laws concerning venereal diseases.

The food leaders discussed "Cottage Cheese for Variety". As an outcome of this discussion the home agent will demonstrate the making of processed cottage cheese during the month of June.

The home agent spoke briefly on the subject of "Simple Refreshments" as being timely during the summer season. "Cheese Dainties" and "Molasses Cookies" were made as the demonstration. Several women suggested delightful combinations of foods which they had served for refreshments.

The home management leaders read an article on "Home Cleaning Hints" which was prepared by the state home agent. Various suggestions were given which help to make the difficult job of cleaning an easier one.

An improvement in the curb market was noted by customers last month. The county farm agent and his assistant have built new vegetable bins under the front windows on the inside of the building, making a more convenient arrangement than heretofore.

The president of each club offers the following "Thought for the Month":

LIFE'S JOURNEY

Life is like a journey

Taken on a train,

With a pair of travelers
At each window pane.

I may sit beside you
All the journey through,
Or, I may sit elsewhere
Never knowing you.

But if fate should make me
To sit at your side,
Let's be pleasant travelers
It's so short a ride.
—Charles Allen Branham.
