

NEW CHURCH PROGRESSING

Asbury Methodist Church Will Be Handsome Brick Structure

Construction is already under way on the new Asbury Methodist church at Otto.

The church will be a brick structure with a main auditorium 25 by 40 feet, four Sunday school rooms, a small basement, and stained glass windows. The estimated cost is \$4,000.

The citizens of the Asbury community have donated the lumber for the building, which is already erected and ready for the brickwork. Labor is being given by the community and surrounding communities.

Part of the cost of the church will be defrayed from the proceeds from the lunch at the annual county-wide farm and home tour, which the ladies of the church are planning to serve at Prentiss. The Duke Endowment Fund gave \$1,500.

"The people of Asbury greatly appreciate everything that is being done," Mrs. Claude Bradley, one of the church members said. "We are especially grateful to the citizens of Franklin, Dillard and Clayton, Ga., for their nice contributions. Everybody is interested and doing everything possible to have our church completed."

STARS TAKE TWO FROM GASTONIA

Will Play Easely Team Team Here This Sunday

The Franklin All Stars won their 15th and 16th games of the season by annexing the twin bill with Gastonia over the week-end, 5-2 and 4-2 respectively.

The games served as a tune-up for the encounter with the Easely, S. C., team this Sunday and marked the final appearance of "Little Beaver" Nichols in an All Star uniform. Nichols left Monday to take up his new duties in Atlanta.

Right Foot First
The locals got off on the right foot in the first game and scored four runs on three hits to take a lead which was never passed. A liberal sprinkling of errors aided the rally considerably; only two of the runs being earned. The final tally came in the sixth inning when the visitors unlimbered an error blizkreig to chase the run across without a bingle being chalked up.

Gastonia racked up their two markers in the second and fourth innings and took seven hits to manufacture them.

Hitting Honors
In the K. O. department Nichols outscored Rankin of the visitors two to one while hitting honors for the day went to Martin, Nichols and Tysinger with two hits apiece. While Frye of the visitors boosted his average by getting three for four.

The visitors outhit the locals nine to eight but the erratic fielding spelled the difference in the ball game.

Bromo In The Box

The second game saw "Bromo" Higdon ascend the mound, and outpitch Stover of Gastonia as the locals went on to win.

Again, a one-inning rally proved the decisive factor when the locals unlimbered their big berthas in the fifth inning to score three runs on two singles, a double and a triple.

The locals jumped into the lead in the first inning when "lover-boy" Martin received a free admission to first to start the game, went to second on a sacrifice by Archer and score a few moments later on errors.

The visitors came within a hair of repeating their scoring performance of Saturday by chalking up markers in the third and fourth innings.

Higdon was nicked for four well scattered hits, and was never in serious trouble while his mates were slugging out eleven hits.

He accounted for six Gastonians by the strike out route while only two of the locals bowed out before Stover's collections of slants.

Advices from down the line indicate that weather permitting, the locals are in for one of the season's toughest struggles as the Easely crew is reputed to have a strong outfit and Manager Swanson of the locals promises plenty of action along with perhaps a few new faces in his line-up when the All Stars take the field around 3 p. m. Sunday.
