noon, a veteran of many baseball games, L. B. Buie, pitched Otto to a 11 to 4 victory over Holly Springs.

Sunday afternoon, in the first game of a double header, Lt. G. W. Alexander pitched the team to an easy 13 to 2 victory over Kyle, and was never in serious trouble throughout the game. In the second inning of the last game Junior (Cannon Ball) Mull took the pitchers mound and came out of the fog sharply to win another bang up of a ball game over Clarks Chapel, winning 11 to 3. Mull did a good job of striking out ten batters and the catcher, Frank Ledford, did a nice job of catching through both games.

Under the superb training of Lt. G. W. Alexander, manager, the boys hope to break their past winning records. Any teams desiring a game should call directly to Lt. Alexander.

### Dempsey Matlock Dies In Idaho

News of the death of Dempsey Matlock, age 21 years, son of Mr. and Mrs. Ben S. Matlock of Boise, Idaho, has been received by relatives at West's Mill. Mr. and Mrs. Matlock are former residents of Macon county, Mrs. Matlock was the former Miss Hazel Hall, of the Oak Grove community.

Young Matlock was enlisted in U. S. Army in the state of Washington. He and three companions were crossing a lake en route to a party when the boat overturned and he and one other were unable to reach the shore.

He is survived by his parents and two brothers, Ernest and Stanley. He has many relatives and friends here who share his family's bereavement.

### 11th District

Will Support Hoey To Succeed Folger

The 12 members of the North Carolina Democratic executive committee from the eleventh congressional district will attend the meeting in Raleigh tomorrow to elect a national committeeman to succeed the late Lon Folger, who was recently killed in an automobile accident.

According to well informed sources here, the eleventh congressional delegation is pledged to vote for former Governor Clyde R. Hoey of Shelby. R. J. Reynolds of Winston-Salem is the other announced candidate for the post.

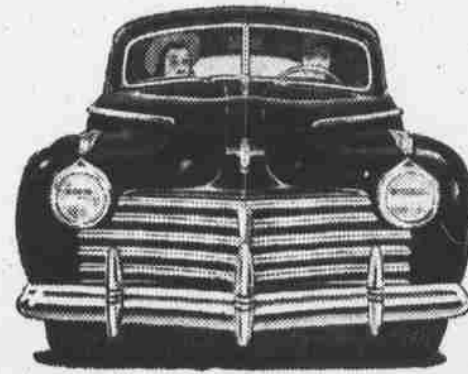

George B. Patton, assistant attorney general, will represent Macon county on the committee.

WAKE UP.

FRANKLIN!

THERE'S NEW JOY IN—

Fluid Driving!

It's LIKE spring after winter when you drive a Chrysler after the old clutch-pumping, lever-pushing kind of car!

Chrysler's Fluid Drive with Vacumatic transmission takes all the work out of driving... makes it fresh and exciting again!

You glide from a dead standstill into full speed with the smoothness of oil. You don't have to shift... just flow forward without jerk or jolt.

BE MODERN with Fluid Drive and Vacumatic Transmission—

Buy Chrysler!

Fluid Drive acceleration is closer to the smooth take-off of a plane than to the old-fashioned lurching forward of mechanical shifts. Wouldn't you like to try it?

FOR SAFETY... Why Chrysler includes a Safety Clutch with Fluid Drive

The Safety Clutch is like a lifeboat on a ship. You will use it very seldom, but you're mighty glad to have it when you need it. A valuable safeguard for parking or dangerous places.
