ANNOUNCEMENT

At the request of the Treasury Department we announce a new feature of interest and service to many readers who are buying or will buy Defense Savings Bonds and Stamps. This will be called the Defense Bond Quiz, and will start in next week's issue.

The questions will be chosen from among those asked by most Bond and Stamp buyers. The answers will tell what the new Defense Savings Program means to the individual and to the Nation.

DEFENSE BOND Quiz

Q. What is a U. S. Defense Savings Bond?

A. This Bond is proof that you have loaned money to the United States Government for national defense. Your Bond bears interest at the rate of 1.9 per cent a year, if held to maturity (ten years).

Q. Why should I buy Defense Bonds?

A. Because money talks. To dictators it speaks defiance. To friends of freedom, it says, "Here's my hand!"

Note.—To purchase Defense Bonds and Stamps, go to the nearest postoffice or bank, or write for information to the Treasurer of the United States, Washington, D. C.

Harry O. Siler Dies In Everett, Wash.

News has been received by relatives of Harry O. Siler of his sudden death on Friday, June 13, in Everett, Wash.

Mr. Siler was a son of the late Albert Siler and Joanna Chipman Siler and a brother of the late Dr. F. L. Siler, Arthur Siler, and Mrs. Tom Slagle. Catchers Of Hawks Should Be Killers, Too

Charlie Bryson, of the West's Mill community, recently killed a hawk that had on its leg a metal band, bearing No. 990 and over this band was placed a rubber band. Mr. Bryson said the hawk had been eating his chickens for several days and requests that hereafter, those who catch hawks will do the kindness to farmers of killing them.

Beat Drought With Fall Gardens

Since the recent drought dried up some parts of Summer gardens, the months of July and August can be used to advantage in planting as replacements many of the vegetables that were damaged by dry weather, says H. R. Niswonger, extension horticulturist at N. C. State college.

Okra, tomatoes, lima and snap beans may be planted with good results in July, these vegetables will supply needed ingredients for canned soup mixtures in addition to fresh vegetables for home use. Seed for lettuce and celery plants also should be sown in July.

Seed of broccoli, Chinese cabbage and Swiss chard do best when sown in the garden row and later thinned out.

Mustard, spinach and turnips should be planted in August, along with beets, carrots and rape. In that month a second set of tomato plants also might be set with usually good results.

A good Fall garden depends largely on how well the soil is prepared for the job it will be called upon to do. Good seed, especially treated seed, are the best guarantee against plant diseases which take a big toll of garden production each year. Seed planted in the late summer should be planted a little deeper than that planted in the Spring, the specialist concluded.

The purpose of the Conference was training rural young people for Christian leadership.

Marion Deal Irrigates Garden

Marion Deal, a demonstration farmer of Macon county, partly overcame dry weather by turning a creek into his garden to irrigate his vegetables, says T. H. Fagg, assistant farm agent.

CARD OF THANKS

The greatest earthly comfort in sorrow and consolation in grief comes from unselfish ministrations of sympathetic friends. We wish to express our deepest gratitude to the host of friends and neighbors who were tireless in their efforts to be helpful after the death of our son and brother, Harold Bryson. The love of our friends shown by these acts and beautiful flowers will always be for us a comfort and precious memory. W. R. Bryson and Family W. C. Arvey and Family.

Revival

Continues At Tabernacle, Large Attendance

The county-wide revival conducted by the Rev. E. E. Snow began its second week with a capacity congregation last Sunday night. Mr. Snow will again preach on the courthouse square on Saturday afternoon at 2:30 o'clock. At the Friday, Saturday and Sunday night services, offerings will be received for the evangelist from all who wish to express their appreciation of his services, Dr. Stokes announced.

The quartet of young men who have been singing twice daily during the revival will remain until the end of the meeting.

"The attendance has been good and is increasing," said Dr. J. L. Stokes, II, on Tuesday. "Interest is good, and has been sustained throughout the meeting," said Dr. Stokes, "and a number of people have found fellowship with Christ, while others have renewed their allegiance."

Dr. Stokes also observed that the evangelist is gratified to find the spirit of cooperation that exists in the county among the members of the different churches.
