vegetables. Rain or shine they have work all the time. Their excellent raspberries damage so rapidly this rainy season. Would it not be a wise plan to grow more of them and have them picked, packed, and freeze them in the community? Consider.

Clyde Dendy, son of Mr. and Mrs. Joseph Dendy, of Gold Mine community, was a member of the graduating class of 1940 of Franklin high school. He entered Mount Berry school for boys at Rome, Ga., working and studying one school year. At the end of his first college year he answered his country's call to service under the selective draft system. He is now stationed at Edgewood, Md., in a chemical plant, helping make gas.

Mother Earth has had her thirst quenched by the continuous rains. Mr. and Mrs. Earl Wood and little daughter have moved from the "Aunt Louise Dills" house to the mountain farm they are purchasing from Rev. Frank Holland. Edward Mashburn, son of Mr. and Mrs. Frank Mashburn, is at present assistant radio operator at Army and CCC Headquarters, Boise, Idaho.

Rejoice—On June 30, Walnut Creek was stocked with fish. Saturday Mrs. W. A. Keener fell spraining her left ankle badly. Linda Lee, little daughter of Mr. and Mrs. Everett Mashburn, has whooping cough. We are mighty glad to report the bad place in the road, not far from the Mac McCall bridge, was well graveled recently. "Aunt Ann Jones" many friends

and relatives will be glad to know she is quite well and happy although she has been bedfast for years.
