

**Famous Artist Murdered, Well Known in Franklin**

News has been received here of the death of Mrs. Antoinette Farnsworth Drew, 75, distinguished artist who spent many summers in Franklin, in her apartment in Atlanta.

Police disclosed that she had been bludgeoned to death in her bed, with a pickaxe that was found nearby. The crime was probably committed on the night of Saturday, September 13. The crime was discovered Monday morning after by a neighbor in the same house. No clue to the murderer has yet been reported. Police said that robbery was presumably the motive. On Saturday night she had collected the rent from tenants occupying apartments in her large old residence at 88 Ellis street, in the shadow of Atlanta's skyscrapers.

An artist of distinction who had traveled and painted in many different parts of the world, Mrs. Drew has left exquisite examples of her art in the murals of the Carnegie library, Grady hospital and juvenile court in Atlanta. Her large old home housed the Atlanta Art club where artists and art dealers occupied apartments.

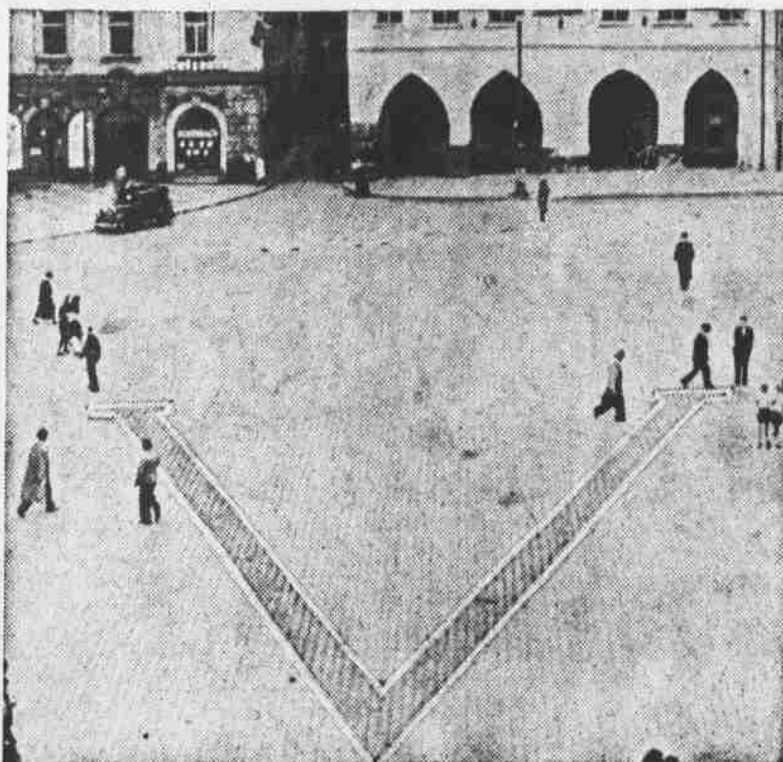

Among Mrs. Drew's friends in Franklin are Mrs. Thomas W. Porter, Mrs. W. W. Sloan and Mrs. James Ordway, all of whom have specimens of her paintings.

**Vance Miles Appears In "The Forest Ranger"**

Paramount Pictures, Inc., has produced and distributed a one-reel version of the Forest Service picture "The Forest Ranger." The short which is entitled "Guardians of the Wilds" has been released as one of Paramount's regular paragraphic series and is estimated to total some 300 showings throughout the country, between September 1 and November 23. Paramount's short will no doubt serve to arouse interest in an understanding of the Forest Service and should serve as a good build-up for Paramount's feature technical picture "The Forest Ranger."

This news is of especial local interest since R. Vance Miles, Jr., formerly located in Franklin as Forester Ranger on the Nantahala National Forest, plays the lead. Most of the scenes were taken in Western National Forests where Miles "did his stuff."

**But This 'V' Is for Sieg**

Attempting to steal the thunder of "Col. V. Britton," who is the sparkplug of the British "V for Victory" crusade, the Germans release this photo to a skeptical world. It shows a great "V" inscribed in a public square in Prague, Czechoslovakia. The V stands for Victoria, an ancient German word for victory, long superseded by the familiar "sieg" of modern Germany.

**CCC Enrollment Set For October 17**

Announcement has been made by Mrs. Eloise G. Franks, Macon county superintendent of public welfare, that the county has been given an indefinite quota of young white and colored men for CCC Camps.

Mrs. Franks states that the enrollment will take place October 17, and asks that all boys, white and colored, who wish to enroll, fill out their applications as soon as possible.

While there is an indefinite enrollment period for white boys, colored boys must make application at this time if they wish to enter the CCC.

Families of the young men seeking enrollment must be "eligible," though not necessarily on relief.
