Garden Seed Collections Cost From \$5.35 To \$6.50

A garden on every farm has been proclaimed a patriotic and economic "must" in the National war effort. To this end, a "Victory Garden" campaign is being organized throughout North Carolina and the rest of the nation.

As an important part of the "Victory Garden" campaign, the Extension horticulturists of N. C. State college, have made up a list of garden seeds needed to feed a family of five for a full year. Seed dealers in every part of the state have agreed to offer these seed collections in special packages, at a reduced rate when bought all at the same time.

H. R. Niswonger, one of the horticulturists, says the prices of the garden seed collections range from \$5.35 to \$6.50, as quoted by dealers. The packages contain about 20 pounds of garden seed, which, if planted correctly and cultivated properly, will furnish an abundant supply of fresh vegetables for a farm family of five, with a surplus of canning and storage.

"If a farmer buys this special garden seed package, he will save considerable money," Niswonger declared. "A comparison of prices quoted by dealers for the 20-pound collection, with seed catalogues listing the various seeds in separate packages, shows that the seed would cost from \$2.65 to \$12 more when bought at intervals during the garden planting season."

The State college leaders said that county farm and home agents have information on the source of these special garden seed collections. They will help farm people to plant them.

MayBelle Bryant,
Secretary-Treasurer.

WE ARE PROUD to present the above statement. It is indisputable evidence of careful management and close cooperation of our membership. Please note that the Association is in better condition financially than it was a year ago despite the fact that we paid \$600.00 more in death benefits in 1941 than we paid in 1940. Since its organization, the Bryant Mutual Burial Association has paid out in death benefits a total of \$12,050.00. In every instance these benefits lightened the burdens of the family. If you could bear some of the fine things said about our Association you would be even prouder of the part you take in this, your Association. You can render a real public service by recommending this funeral benefit to your friends.

TO THOSE WHO DO NOT BELONG, WE URGE YOU TO COME IN AND JOIN TODAY
