### Schools Closed Monday On Account Of Snow

The Franklin school and other schools in the county were closed Monday on account of the snow that began to fall after midnight and continued through the morning hours. Buses could not safely run before the scrapers could get in their work. It was a beautiful, soft snow of several inches but began to melt almost immediately. However the youngsters got in some good sledding Monday morning. On Tuesday only one school bus was able to operate, according to J. H. Finley, due to the condition of the roads.
