The Benfields leave behind them a record of work well done during their four years here, which includes the addition of many members to the church roll and the completion of a beautiful stone church building.

Since her graduation Mrs. Soderquist has been teaching in the eastern part of the state. She will be with her mother, Mrs. Guy Paul, for the school term.

**MUSEUM BENEFIT PARTY NETTED \$56**

The card party at the home of Henry W. Sloan netted approximately fifty-six dollars. The party was sponsored by the Wednesday Bridge club for the benefit of Highlands Museum, and the

proceeds will be used in defraying expenses of the museum work that has been carried on during the summer.

Flowers decorating the home were from the garden of Mrs. Earl Crunkleton. High score prizes were given in each of the three rooms, where 14 tables were in play.

About twenty additional guests were present for the tea hour following the game. Club members and museum members, who assisted in arranging the tables, entertaining and serving refreshments, were Mrs. D. L. Tarry, Miss Marguerite Ravenel, Miss Dorothea Harbison, Mrs. W. H. Cobb and Mrs. Elliott Caziarc. Included in the \$56 were a number of gifts from friends of the museum.

NORTH CAROLINA'S BEER INDUSTRY IS PAYING APPROXIMATELY \$2,250,000 IN TAXES TO THE STATE ALONE IN 1942.

OUR state will receive in 1942 more than \$2,250,000 in taxes from the beer industry. And one of the chief aims of this Committee's "Clean Up or Close Up" Campaign is the preservation of this steady, substantial and much needed flow of governmental revenue.

YOU provide telling aid when you frown on the few beer retailers who disregard the law, and restrict your patronage to dealers whose places of business reflect a sense of good citizenship and honorable operation.
