## SANDERS STORE

"Savings and Service"

FRANKLIN, N. C.

—One hundred and thirty million Americans are facing one of the most important assignments ever given to the home front in this nation's wartime history... To meet America's increasingly critical shortage of raw materials, every man, woman and child in the country is expected to be enrolled in the nationwide drive for scrap metals, rubber, hemp, waste cooking fats and other materials, the lack of which is already beginning to hamper the war effort.

Macon people want to do their share in this, as in every other war effort. All over the county scrap is being collected.

## ATTENTION! FRANKLIN CITIZENS
