Federation Picnic To Be War Rally Day Saturday

Agriculture's Part In War Production Is Theme

On Saturday, July 17, at the Franklin High School the Farmers Federation will hold an Agricultural War Rally Day and its 1943 picnic for Macon County. The program will begin at 10 a. m. and tast until mid-afternoon. "Agriculture's Part in War Production" will be the theme of the day's activities. However, plenty of fun, singing, string music, and other entertainment will be included. All members of the Federation and other citizens of Macon County are cordially invited to attend and bring their families and friends.

Mr. James G. K. McClure will be in charge of the program and will discuss the farmer's part in the war effort. Also, reports will be made by the various departments of the Federation as to accomplishments of the past and plans for the future. Also several officials of local government and farm agency offices have been asked to give a brief greeting to the crowd from their offices.

War Bonds and Stamps on Sale One of the main features of the day will be the sale of War Bonds stamps, and the total sales will be credited to the Macon County quota. Last year the Bond and Stamp sales started many rural people to buying them who had not bought before.

There will be a two-hour lunch and recreation period. Many families will bring picnic lunches to spread on the school house lawn. The Federation will furnish temonade and watermelon for everyone. Also there will be a lunch counter where plate lunches and sandwiches may be obtained. During the lunch hour there will be athletic contests for young and old, and prizes will be awarded the

Married Men To Be Called

While it is true that fathers generally will not be called for military service until the supply of single and childless married men is exhausted, there are three ex-ceptions to that policy, it was pointed out today by General J. Van B. Metts, state director of selective service.

The exceptions are: 1 Men who have become fathers

since September 14, 1942. 2. Registrants engaged in non-deferrable activities or occupations. The War Manpower commission has designated certain activities and occupations as non-deferrable, General Metts explained, and fathers engaged in these non-deferrable activities and occupations may be classified as 1-A and selected for service.

3. Registrants who have been classified as essential farmers, but who have left the farms on which they were found to be assential ithout first obtaining permission of their local boards to do so,

"Lost" Ad Finds Carey Patton's Pig

"He saw it in the Press" said Carey Patton, when he came in to tell us that his lost pig had been found. The enterprising animal swam the Little Tennessee river and was found on the other side by Auburn Angel, the night that it was lost. When Mr. Angel read the "Lost" ad in the paper he notified Mr. Patton, and and
