HERSHEY SHOWS ORDER OF INDUCTION

The selection of men needed for the armed forces and the deferment of men required for agriculture, war production, and war supporting activities are much more difficult than in the days when we had ample men from which to choose," said Major General Lewis B. Hershey, Director of Selective Service, in a recent letter to local boards. He said available men will be called for induction in the following order: (1) single men with-out dependents; (2) single men with collateral dependents; (3) married men without children; (4) men with children (nondeferrable activities and occupations); (5) men with children.

PEACE TO REPAY MORE LEND-LEASE

"The Congress in passing and extending the Lend-Lease Act made it plain that the United States wants no new war debts to jeopardise the coming peace," President Roosevelt declared in his letter transmitting to Congress the eleventh report on Lend-Lease operations for the perion ended July 31, 1r43. "Victory and a secure peace," the President added, "are the only coin in which we can be

"STANDING ROOM ONLY"

If you are planning to take train trip over Labor Day, you probably will have to stand in the aisles, ODT officials say. Passenger trains throughout the U.S. continue to run heavily loaded, with standing in the aisles occuring frequently on some trains, particularly at weekends.

BETTER RUBBER FOR RECAPS

Rationing restrictions on the use of Grade "C" camelback for recapping havebeen removed, according to OPA. Grade "A" camelback, previously available for only the largest truck and bus tires, may now be obtained for recapping tires on all trucks and buses although it is still subject to rationing.

TAX REPORTS DUE SEPT. 15

Many farmers will be among the 15 million Americans who are required to file a declaration of estimated income for 1943 and make a payment on that basis onter the a payment on that basis onter the "pay-as-you-go" plan which became effective July 1, this year. September 15 is the date for filing declarations, except that farmers, if they wish, may wait until December 15, since they receive the bulk of their income in the fall. Generally speaking, all single persons earning more than \$2,700 a year from wages subject to withholding and all married couples earning more than \$3,500 will be required ect to with to file declarations. In addition, individuals or couples with an income of \$100 or more from sources other than wages are required to file, if their total income is such that they must pay an income tax. Individuals who were required to file an income tax return for 1942 and whose wages subject to with-holding in 1943 will be less must also file.

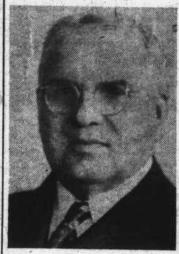

WAR-USEFUL JOBS NEED 2,600,000

Between now and nert July, "a rock-bottom minimum of 2,600,000 persons" must transfer to war-useful jobs, aggording to Paul V. Mc-Nutt, chairman of the War Man-power Commission. "There are goute shortages of laundry workers, teachers, nurses, doctors, bus and delivery drivers, and others whose services are needed by civilians," Mr. McNutt said. The War Manpower Commission advises those in doubt about the war-usefulness of their jobs to consult the U. S. Employment Service.

WAR BALLOTS FOR ARMY

Blank forms are available to all officers and enlisted men of the Army to enable them to apply for war ballots for elections to be held this year, the War Depart-ment reports. Public Law 712 re-quires these forms to be available in years when officers of the national government are elected. The forms will also enable legally qual-

3rd War Bond Campaign Ready To Go On Sept. 9

Treasury Plans To Seek Loan Of 21 Billions Soon

INDEPENDENT

The treasury intends to bor-row \$21,000,000,000 during the last four months of this year. Undersecretary Daniel W. Bell reported tonight that govern-

ment spending in that period will aggregate \$35,000,000,000 while revenues will total only \$14,000,000,000.

However, should the \$15,000,-000,000 third war loan which opens September 9 follow the pattern of the two previous drives most or all of the needed funds might come from war bond sales alone without re-course to banking sources. The first war loan last De-

cember was oversubscribed nearly \$4,000,000,000 above the original 19,000,000,000 goal. The second, in April, aimed at 113,000,000,000 and brought in a total of \$18,-000,000,000.

SCHOOLS OPEN NEXT MONDAY

Faculty Lists Practically Complete For Town And County

The schools of Macon county will open Monday morning, September 6, with an enrollment of about 4,000 expected.

Guy L. Honk, superintendent, re-ports that there has been consider-able difficulty in filling vacancies caused by late resignations, but that in spite of the limited supply of teachers due to war conditions, Macon couny has fared better than many others in the number of vacancies to be filled. He states that practically all vacancies will be supplied by the time school opens on next Mondy.

Labor Day

Will Not Be A Holiday This Year

Labor Day will not be observed as a holiday as usual this year, on account of war conditions. postoffice and the Nantahala Forest Service headquarters will remain open and also business firms. Mica plants and lumber mills which are now working overtime on vital war necessities will not close down.

STORES BEGIN ioon closing ON WEDNESDAY

Most Business Firms Will Give Workers One Afternoon

Most of the stores and business firms which cooperated during the summer months in Wednesday afternoon closing at 1 o'clock, are continuing to give their workers this afternoon off during the fall, A partial list of firms cooperating ran an advertisement in last week's issue of this newspaper. They announced that the closing would begin at the noon hour instead of one o'clock, since this was more convenient on account of the dinner hour.

Four stores carrying dry goods announced that they would continue the Wednesday closing only until October 1. They thanked the public for their cooperation in thus enabling more than a hundred Charles Harold Morgan, workers to have this extra time
