

# PURCELL WILL BE ON RADIO NEXT SUNDAY

### First Of 'Methodist Hour' Broadcasts Set For 8:30 A. M.

Of general interest here, and especially to Methodists, is the announcement that the first South-wide radio broadcast of "The Methodist Hour" will be heard throughout the South Sunday morning at 8:30 o'clock Eastern standard time, over an independent network of 36 stations.

Bishop Clare Purcell, president of the college of bishops of the Southeastern Jurisdiction of the Methodist church, will be the speaker. The broadcast will originate from Station WSB in Atlanta, and will be heard over two other stations in this area, WWNC in Asheville and WNOX in Knoxville.

Dr. William F. Quillian, executive secretary of the Southeastern Jurisdictional council of the church, announced that other "Methodist Hour" programs will be heard during May and June. This first broadcast by the council is in cooperation with the South Central Jurisdictional Council and the Upper Room. The Council is a member of the Southern Religious Radio conference, which is composed of the radio committees of the Baptist, Presbyterian, and Methodist churches and representatives of certain radio stations.

Bishop Purcell will speak on "The Church That Is To Be". He is resident bishop of the Charlotte area of the Southeastern Jurisdiction, a member of the General Commission on Army and Navy Chaplains, and a member of the North Carolina Council of Churches.

### Negro Couple Has Surprise Party On 52nd Anniversary

George W. Love, well known Macon County Negro, and his wife were born and reared in the West's Mill community, and the other day, still living in that community, they celebrated their 52nd wedding anniversary. They were married February 7, 1894.

Their daughter, Viola Buckson, representing all the children, surprised them by presenting them with gifts—a cake, a gold tie clasp for her father, and a gold necklace for her mother. She also presented them with \$130. Money gifts from friends amounted to \$8, and they received many congratulatory cards.

Seven of their eight children are living, and there also are nine grandchildren and one great-grandchild.

# Oh, what they'd give to be in *YOUR* shoes!

## WHAT CAN YOU SPARE THAT THEY CAN WEAR?

Oh, what most of the human race would give to be in *your* shoes!

Clothing that *you* may consider old can bring new life to some suffering person to whom war brought despair and destitution. Goal of the Victory Clothing Collection is 100,000,000 garments, plus shoes and bedding. If *your* contribution seems negligible, bear this in mind: *Every garment you give means one more human being saved from cold or sickness or possibly death.*

About 25,000,000 people overseas re-

ceived clothing collected from Americans last spring. But for every person clothed so far, a dozen more remain virtually threadbare. Your spare clothing will be distributed free, without discrimination, to victims of Nazi and Jap oppression in Europe, the Philippines, and the Far East.

Dig into your attics, trunks, and closets today . . . dig out all the serviceable clothing you can possibly spare . . . take it to your local collection depot *now*. If you doubt the need for it overseas, ask the boys who've been there!
