For Surveyor

Editor, Franklin Press, Franklin, N. C.
Dear Sir:

Being impressed by the New Deal promoted by our great leader, Franklin D. Roosevelt, while he was President of this great United States of America, that saved the lives and property of the people of America, as well as the high-ups and white collars, that have now forgotten the fact that any such thing had happened.

Under this impulse of holding the banner of our great leader as high as I am able, I hereby announce myself once more as a candidate for county surveyor of Macon County, N. C., subject to the Democratic primary election to be held on the 25th day of May, 1946.

My motto has always been, serve all the people, regardless of creed, color or clan, as you well know that there is no politics in the county surveyors office, if he does his duty.

I will appreciate any and all votes that you may give me in the coming primary election, and if I should be elected, I will continue to serve you as I have.

Say: "I saw it advertised in The Press".
