# Knot Hole Not Bad, For It's Not Hole With Knot

New Ulm, Minn.—Emil Dometter met up with a knotty problem just as he was finishing remodeling his store.

In the last piece of lumber—a scarcity—he noted a gaping knot-hole, so he started searching for the knot. He went to the lumber yard and after a prolonged hunt he found the knot. Then he finished his job of glueing it in place, looked it over, and said, "Not bad."

# IN MEMORY OF

MRS. NANNIE W. BROWNING

Mrs. Nannie West Browning was born and raised in Macon County at West's Mill. She married Vance Browning and lived in Bryson City for more than twenty years. After her husband's death she came back to live with her mother and other relatives in Macon County. She lived with her mother for two and a half years before going to the hospital at Black Mountain. She was in the hospital four months before her death. Before going to the hospital she did her house work and took care of her mother. She was never too tired or sick to take care of her mother.

After living in Bryson City for a number of years she came back to Macon County the same unselfish, happy-spirited, good girl that she was remembered by her friends before going.

Her schoolmates, friends and acquaintances found her the same wonderful, Christian character.

She was an inspiration to all who knew her for things good and noble. She is greatly missed in her community. She was a blessing to all who knew her.
