EXAMINE THE RECORD

It has been argued by opponents of Zebulon Weaver that he is a do-nothing Representative. With this in mind, consider some of the Federal projects which have come into being in this Congressional District under Mr. Weaver's sponsorship or with his aid and backing.

REP. ZEBULON WEAVER

1. Great Smoky Mountains National Park
2. Blue Ridge Parkway
3. Appalachian Experiment Station
4. Oteen Veterans Hospital
5. Moore General Army Hospital
6. Hiwassee Dam
7. Chatuga Dam
8. Fontana Dam
9. Enlargement of Nantahala and Pisgah National Forest
10. Kephart Fish Hatchery
11. Numerous Postoffice and Federal buildings and other buildings constructed by Federal funds.

Many approved or eligible projects, including the Park to Park Highway, await post-war appropriation of funds, which for obvious reasons could not be allowed during the war. Mr. Weaver is now at work and wants to remain at work on these projects.

Who is the right man to continue? He who has lived with them and for them since they were born, or he who aspires to office by reason of an over-weening personal ambition and may or may not give them their deserved attention?

A vote for Zebulon Weaver in the primary of May 25th is a vote for a great public servant.
