For Representative

I want to take this opportunity to announce to the Democratic voters of Macon County, that I will seek the nomination as Macon County Representative in the General Assembly of North Carolina, at the primary to be held on May 25, 1946. I have never asked the voters for an office before this time, and will appreciate the support of all my friends. If nominated and elected I will do my best to, serve all the

people, and will not introduce or vote for any legislation unless I believe it will be for the best interest of the majority of the citizens of Macon County.

To the Democratic Voters of Macon County:

Before I made my announcement as a candidate for Sheriff I gave the matter serious consideration as I know the office is a very important one for Macon County. In the first place it needs a man of experience and mature judgment as well as one who is not afraid to enforce the law.

Under Sheriff Charles Ingram for six years I am 46 years old. I served as a deputy and during that time was very active in performing the duties required of me. I can truthfully say that during that time I favored no individual but undertook to carry out my duties impartially and with a view to keeping down criminal offenses. I have no hesitancy to say that I will make every effort possible to continue such efforts if I am elected and I will also use the best judgment possible in selecting deputy sheriffs to serve under me.

I have been a lifelong Democrat as have been my people before me. In the event I am elected I shall continue such party affiliation and if I am not successful in securing the nomination I will give all my support to the nominee of my party in the general election.

I would like to see and talk to every man and woman in the County but that is impossible. I will try to see as many as I can and I will be very grateful indeed for your vote in the coming primary to be held May 25th.

Fred D. Cabe

To the Citizens of Macon County:

As many of you undoubtedly know I am a candidate for Solicitor of this District. Mr. Queen, the present Solicitor, is not a candidate and his term of office will expire this year.

If I am fortunate enough to secure the nomination to which I aspire I pledge myself to prosecute all violations of the law to the best of my skill and ability, however, guaranteeing a fair and impartial trial to each and every defendant.

T. D. BRYSON, JR.

It is my firm conviction that the Solicitor can effect a large saving of taxpayer's money by presenting each matter to the court as speedily as possible and not keeping matters pending on the docket and holding witnesses over from term to term. This I certainly promise to do. I also feel that the people of each county should have a voice in the management of court affairs and I wholeheartedly invite any person or group of people, in the event I am elected, to feel free to discuss matters of court interest with me at any time it best suits their convenience.

I am the eldest son of former Judge T. D. Bryson who is now professor of law and legal advisor at Duke University. I completed my legal education at the University of North Carolina and have been engaged in the general practice of law since February 1925 and certainly feel that I am thoroughly qualified to fill the office of Solicitor not only by way of education but also experience. I have lived and maintained my office in Franklin for the past seven years and while my family is now living in Bryson City on account of housing conditions, I feel that Macon County is my permanent home.

I earnestly solicit your vote and support in the Democratic Primary, May 25th.

Thad D. Bryson, Jr.

DAN K. MOORE
Candidate for Solicitor

We think the voters—and particularly the

DAN K. MOORE

veteran voters—of Macon County should know something about the service record of DAN K. MOORE, one of the candidates for Solicitor in the coming primary.

DAN MOORE is a married man of forty years of age. He had been practicing law for sixteen years when, about three years ago, notwithstanding the fact that he

was a married man with two children, he volunteered for service in the U. S. Army.

He spent approximately two years in the service as an enlisted man, a large part of it at the battle front in Europe, and has only recently returned to his law practice which he broke up to enter the service of his country.

MR. MOORE is an able lawyer and a gentleman, as his father, Judge Fred Moore, was before him. He is the only one of the candidates for solicitor who saw service in this war. He worked two years for his country on an enlisted man's pay.

We felt that when they knew the facts the people of Macon County would want to give a World War II veteran the preference we think he deserves.

This advertisement was not solicited by Mr. Moore. It is sponsored and paid for by Veteran supporters of Macon County.

A Statement to the Democratic Voters of Macon County

I believe the people are entitled to know how a candidate stands. I, therefore, make the following statement to the Democratic voters of Macon County:

1. If nominated and elected as Macon County representative, I will go to Raleigh as the representative of all the people of this county, and will work for what I believe to be to the best interests of the state and the county.

2. I am now and have been in business for myself since March, 1946. I am not in any way connected with any other enterprise. If nominated and elected, I will to the best of my ability represent all of the people of Macon County without favoritism or preference for any individual, faction, group, corporation, or business.

3. Honesty compels me to say frankly that there are many things I might wish to do which I cannot. Such matters as highways, schools, old age assistance, and control of alcoholic beverages are, generally speaking, state-wide, and policies on these matters are determined not by one, but by a majority of the members of the General Assembly. I can and do promise, however, to work for better secondary roads throughout the state. I can and do promise to do all in my power for better schools, in this and every county in the state. I can and do promise to cast my vote for a more liberal allowance for old age assistance. And I can and do promise to work for the proposed referendum on alcoholics—the people have a right to decide.

4. I am told that questions have been raised about my record at the draft board. That record is no secret. I was under the draft age in World War I. Never did I ask the draft board for so much as a day's deferment in World War 2. I was classified as 1-A for a long period, and expected and was prepared to go to the armed forces. The only reason I did not was that the top age was lowered within a month of the time I would have been drafted, and I was classified as over-age.

5. Whatever the outcome of the Democratic primary May 25, I will exert every effort to secure the election of every nominee of the Democratic party in the general election.
