**HENSON NAMED BY G. O. P. FOR REGISTER POST**

**Higdon's Name On List Given Printer For General Vote**

Ralph M. Henson, World War 2 veteran, of the Smith Bridge township, is the Republican nominee for register of deeds, and will oppose Lake V. Shope, Democrat, the incumbent, in the general election this fall.

Mr. Henson's name late last week was substituted by the Republican county executive committee for that of Charles Bryan McClure, earlier chosen as the nominee for register of deeds. Mr. McClure withdrew as the nominee.

The executive committee's action was taken Saturday, just prior to the placing of the order by the county board of elections for the printing of absentee tickets for the general election.

Of wide interest here is the fact that the name of A. R. Higdon is on the Republican side of the ticket for clerk of the court. There had been reports that Mr. Higdon, the incumbent, would not stand for reelection. He will be opposed in the general election by J. Clinton Brookshire.

Except for the change in the nominee for register of deeds, the county ticket of the Republicans is the same as that announced after a party caucus the middle of April.

In the state senate race, however, the ticket lists F. Herbert, of Hayesville, as the nominee, in place of E. R. Carpenter, whose name was proposed for that post at the Macon County caucus.

Sloan, service officer, will be in Winston-Salem those two days, he announced this week, to attend a conference of service officers.

An agreement has been made among eastern farm labor leaders whereby efforts will be made to help both farmers and migrant workers in plans for harvesting crops in the summer and fall.

**Mrs. Church Elected President Of Legion Auxiliary**

Mrs. Herbert E. Church is the new president of the American Legion Auxiliary unit here, having been chosen to succeed Mrs. John Wasilik at the monthly meeting of the unit Monday night.

Other officers elected are: Mrs. A. R. Higdon, vice-president; Mrs. Gilmer A. Jones, secretary and treasurer; Mrs. Wasilik, chaplain; and Mrs. Lon Dalton, sergeant-at-arms.

The members voted to subscribe to magazines for each of the four patients at the Veterans facility at Oteen which have been allotted to this unit, and to remember the two Macon county patients in the Oteen hospital with gifts. Through efforts of the auxiliary, 83 books have been sent to the Oteen library in recent months, it was reported.

The meeting was held at the home of Mrs. Church. She served refreshments at the conclusion of the business session.

A little foresight in purchasing, careful planning or meals, and conservation in the kitchen and at the table are just good sense. It not only makes for more adequate, well-balanced diets but in these days it saves the lives of millions of men, women, and children who are dying of hunger over the face of this earth of ours.
