Highlands Flower Show To Be Colorful Display

A more colorful and varied display than ever before is predicted for this year's Highlands Flower show, to be held in the Highlands Museum Saturday, with Mrs. Elliot Caziarc as chairman.

Most of the outstanding gardens of Highlands are now at their peak, and visitors to the flower show will have a chance to see selections from many of them. In addition, there will be displays of native flowers from the mountains.

Residents of the Highlands area, gardeners, and visitors all have been invited to enter displays. Entries may be made in any of seven different classes: Specimens; native flowers; flower arrangements; table sets; miniature arrangements; fungi and mosses; and children's displays. Three ribbons will be awarded the winners in each of these classes, and special prizes given to the best children's arrangements. A special sale of plants also will be held in connection with the show.

Flowers are to be brought to the Museum between 9 and 12 on Saturday. Judging will take place between 12 and 2. And the show will be open to the public from 2 to 5. At the end of the exhibition, a flower auction will be held.
