

The world's deepest well drilled by cable tools is in Pennsylvania—completed at 10,053 feet. A new oil-powered machine cuts, chops and loads green hay in a continuous operation.

Two Minor Blazes Call Firemen On Successive Days

Local firemen were called out twice the latter part of last week, but neither blaze did serious damage. The firemen answered an alarm near Roy Mashburn's filling station Friday morning to extinguish flames when a tractor caught fire. Saturday morning they were summoned to the vacant lot back of Belk's Department store to extinguish flames in lumber Jos. Ashear has stacked there. The lumber fire, which was quickly extinguished, was said to have been started when someone put hot ashes against the ends of the boards.

Mortons To Leave Franklin, Return To West Virginia

Mr. and Mrs. C. L. Morton, who have made their home in Franklin most of the time during the past 13 years, will leave about the middle of December to return to their former home in Charleston, W. Va. Mr. Morton, who has been a log scaler and timber estimator for the Zickgraf Hardwood Lumber company for the past 18 years, has resigned in order to take rest.

Since coming to Franklin, they have been affiliated with the Franklin Methodist church, and the Woman's Society for Christian Service and the F. S. Johnston Bible class, in both of which Mrs. Morton has been active, jointly presented her with a pair of sterling silver dogwood earrings and matching pin.

Negro Glee Club Flare Concert Of Yule Carols

The glee club of Chapel (Negro) school here will present a concert of Christmas carols next Thursday night at 8 o'clock at the school. No admission charge will be made, and the general public is invited.

CARD OF THANKS

We want to thank our neighbors and friends for their many deeds of kindness extended us at the time of the death of our father, John Howard. Also for the beautiful floral offerings. Rosetta and Ned Howard.

CARD OF THANKS

I use this method to offer my thanks and appreciation to my many friends and neighbors, and especially the Highlands Briar Co., and their employees, for their many acts of kindness and assistance during my recent illness.

Now...a Better Kind of Driving

Dramatic new tire principle gives you **14% MORE AIR** for smoother riding, easier driving, better car control

TAKE a demonstration ride today on the great new U. S. Royal Air-Ride. See your U. S. Tire Dealer—discover for yourself the new kind of riding and driving ease the U. S. Royal Air-Ride makes possible. And remember—you can order these great new tires now for early delivery.

More air—puts a bigger cushion under your wheels... absorbs jolts and jars... brings dramatic new driving comfort.

Less air pressure—gives you a softer air cushion that smoothes the bumps... smooths the way for a new kind of riding ease.

Greater safety—The unique Air-Ride design cuts down the heat that causes blowouts. And the U. S. Royal Brake Action Tread gives extra skid protection.

More stopping power—The Air-Ride has 3,108 extra braking surfaces—gives you more stopping power in all weather.

More mileage—Air-Rides run 10° to 15° cooler. And that means many more safe, dependable miles.

Better car control—Magnificent balance makes the Air-Ride respond instantly to your touch on the wheel. Your car is surer, more stable on the road.

and
A Better Kind of Service

During and following the war, tremendous strides have been made in the techniques of tire service—techniques that can bring you many more miles of safe, trouble-free driving. You can get this new and better kind of tire service now, from your U. S. Tire Dealer. In every sense, he is a tire expert. His specialized skills insure

that you get all the safety and all the miles built into your tires. U. S. Tire Dealers have invested in new, more efficient service equipment—in specialized training—in better, faster service methods. Find out today what your U. S. Tire Dealer can do to bring you extra miles and extra safety at lower cost for every mile!
