GREETINGS

WE adults can learn much from our children—learn how to celebrate Christmas well. Let us turn back the clock this Christmas season of 1946 and get out of Christmas all the joys that children know when they hang their stockings up.

All together now for a big, glorious Christmas, topped off with our best wishes to all of you.

Merry Christmas
TO ALL OUR FRIENDS

Styles change, methods change, but Christmas—never! Beneath it all is the same old love of man for his folks and his neighbors, the same old dream of the day when peace and good will encompass all the earth.

So now in that changeless season of Christmas we greet our friends and neighbors, as so often before, with that timeworn message of cheer and good fellowship, MERRY CHRISTMAS!
