## GREETINGS!

Music and song and happiness everywhere! Lighted windows, green trees brilliant with glowing bulbs, all contributing to the grand sum total of Christmas.

It's fine to celebrate Christmas again this season of 1946, fine to have finished another year in this community of happy homes and friendly people.

To Each and All We Wish

A VERY MERRY CHRISTMAS

## LET'S ALL BE HAPPY!

Christmas is likely to become too prosaic to many of us grownups, but to boyhood's eager eyes it is a time of preparation and expectancy... an enchanted season when the woodland is hushed and even ordinary tasks take on the glamor and joy of dragging home the Christmas tree. May your Christmas of 1946 be in this spirit.
