## NOTICE

The North Carolina law requires that any person doing electrical house wiring or electrical repairing have a license to do such work.

Mr. N. E. Cannady, State Electrical Engineer and Inspector, has advised that it is the duty of all parts of the electrical industry to uphold and enforce this law.

Any person doing work after January 15, 1947, for which a license is required without first procuring same, will be prosecuted.

Good Pay and Expenses  
If you can measure up to the standards of the peacetime Regular Army, you now have an unusual opportunity. By enlisting for 3 years you can choose one of the famous fighting divisions now on occupation duty in Japan and Korea.

The divisions in which you can enlist include such outstanding units as the 1st Cavalry Division, 6th Infantry Division, 7th Infantry Division, 24th Infantry Division and 25th Infantry Division, each of which had a great battle record during the war.

After initial training in the U. S., you can join the unit of your choice and take part in the interesting work of maintaining a just peace in the Far East. You'll have the advantage of 20% extra pay for overseas service. Starting base pay for a Private overseas is \$90 a month in addition to food, clothing, good quarters, medical and dental care. And you'll enjoy excellent living conditions, plenty of sightseeing, sports and recreation, and the satisfaction of doing a worthwhile job. Enlistments open to men 18 to 34, inclusive (17 with parents' consent). Get full details at U. S. Army Recruiting Station, Postoffice Building, Asheville, N. C.
