From where I sit... by Joe Marsh

**Main Street is  
One up on Broadway**

Our Main Street isn't Broadway. But for cleanliness and neatness, it has Broadway lashed to the mast! (I'm sticking my neck out, so far as those city people go, but it sure is the truth.)

Our sidewalks all along Main Street are swept clean each morning; the store fronts are kept neatly painted; the windows are shiny bright; and there's grass and flowers every place that grass and flowers can be made to grow!

Once when "Butch" Snyder let the awning of his store get torn and dirty, folks up and down the street just gently nudged him till he went out and got it repaired and cleaned. That's how it works around this town of ours.

From where I sit, it's a little like the Brewers' program of Self-Regulation. They want all taverns selling beer to be a credit to the city... neat and orderly and up to scratch. And when any tavern lags behind, they nudge it back to standard. Works too!

**NOTICE!  
LIST YOUR  
PROPERTY**

Tax listers will be at the following places in the various townships on the dates given to list property for the year 1947. The Board of Commissioners asks all persons to cooperate to the fullest extent in helping the listers to get a correct list of all property. The law provides that a penalty shall be effected against any person failing to list his or her property (although this will not be applied to non-residents). All persons should make a strong effort to see the List Taker or have some person represent them and save the embarrassment of going before the Board asking for corrections when you have failed to list your property.

**FARM CENSUS NOTE**

Each farm owner shall prepare a list of the acreage of each crop grown, including tenths of acres of truck. The list should show the total acres cultivated by the owner, also the acres cultivated by all tenants on each separately recognized farm, the acres in improved pasture, woodland, idle and other lands. He shall be prepared to report the number of hogs sold or slaughtered during past 12 months and tons of fertilizer to be used during this crop year. This information is kept confidential and has no relation to taxes. Its purpose is for agricultural education, economic analysis and safer guidance of county agents and farmers generally.
