2 Franklin Bills
Pending In Assembly

Rep. McGlamery Wednesday. Another local measure, offered by Mr. McGlamery and Rep. H. M. Moore of Clay county, applicable to the two counties, would provide punishment for persons who "obtain advances under promise to work and pay for same", and fail to keep the promise.

Rep. McGlamery is among the Western North Carolina legislators leading the fight for a department of game and inland fisheries, separate from the Department of Conservation and Development, and Baxter C. Jones, of Bryson City, this district's senator, is among those sponsoring the program for state grants of funds to counties for construction of school buildings.

Mr. McGlamery has received a number of letters from Highlands, commending him for his support of increased pay for teachers. Among those writing were Veva Howard, Nina Howard, Onnie Cabe and Lois Kenner, teachers in Highlands schools; Principal O. F. Summer; W. A. Hays, Mrs. Anna Pierson, Mayor W. H. Cobb, and the Rotary club, Jack B. Davidson, secretary.

Plan Series Of Lectures
On World Understanding

East, and frequently has been heard in radio addresses on international affairs. His topic will be "UN, Vehicle of World Cooperation?" The final lecture, set for March 6, will deal with the topic, "Cooperation or Confusion in Ten-Mile-A-Minute Travel?" The speaker will be Nathaniel F. Silsbee, of Stamford, Conn., an authority on aviation. The series of addresses is a part of Rotary International's program of Institutes of International Understanding. The program has been under way for 10 years, and during that period more than 2,000 lecture series have been sponsored by Rotary clubs in the United States and Canada.

More than 10,000 volumes were added to libraries of Veterans administration hospitals during October.

Plan Covered-Dish
Supper Friday At
Methodist Church

A covered-dish supper for members of the Franklin Methodist Sunday school and church and others who care to attend will be held at the church tomorrow (Friday) night at 7:30, under the sponsorship of the Young Ladies' Sunday school class. An entertainment program has been arranged, under the direction of Mrs. Carl Cabe. Everyone is invited to attend, each family bringing along a covered dish.

Tax Listing Time
In This Township
Extended To Feb. 8

The time for listing taxes in Franklin township has been extended through Saturday, February 8, it was announced this week by Lake V. Shope, tax supervisor.

Mr. Shope explained that property owners in this township have been slow to list their property, and they were given this additional time with a view to getting as complete a listing as possible. Property not listed within the time fixed will be valued by the officials, and that value will have to stand, he said.

Persons who cannot personally come to the courthouse to list are asked to have a neighbor do it for them.

Donations Here
To Polio Fund
Pass \$700-Mark

With more than \$300 contributed the past week, donations to Macon County's infantile paralysis fund now exceed \$700, according to James E. Perry, county fund chairman. Mr. Perry added that not all solicitors had been heard from and that he was unable to give an exact figure on contributions to date.

In order to assist in seeing that the polio fund exceeds the quota of \$1,215 for the county, plans have been made to hold a square dance at the Otto schoolhouse Friday night, the proceeds going to the fund.

State College Hints
To Farm Homemakers

By Verna Stanton
To make an orange easier for lunch-box-toting youngsters to eat, this is what Westinghouse home economists suggest: Score from stem end to blossom end in about eight sections, cutting through skin only. Pull back rind about half an inch, then wrap the whole orange in waxed paper.

To speed up the defrosting of your refrigerator, empty the ice trays and fill with hot water. Put the trays back in the evaporator, turn the control knob to "off" and close the refrigerator door. In about 15 minutes the ice will scale off and the unit is ready to be reset for freezing.

Chocolate and cocoa stains should be removed as soon as possible, and always before laundering. For white cottons and linens, dip the fabric up and down in hot water, wash in hot suds, bleach any remaining stain with hydrogen peroxide, and rinse well. For any washable colored fabric, wash in lukewarm suds, and use carbon tetrachloride to remove any grease spots caused by cream.

A new broom sweeps clean, and so does a clean broom. To keep a broom clean and in top condition, douse it in medium warm suds, rinse well, and hang it up by the handle to dry thoroughly. Add a few drops of ammonia to the suds when washing a very dirty broom. When not in use, hang the broom so that the straw does not rest directly on the floor.

To preserve the garbage pail, treat it to a thorough washing with soapsuds once a week, followed by a hot water rinse and thorough sunning.

Use kitchen scissors to save time. Cut parsley, celery, plimiento, and string beans with them. Use wet scissors for dicing sticky foods such as chicken, dates and marshmallows.

Indications are that the 1947 acreage planted to hybrid corn in Davidson county will increase at least 100 per cent over the 1946 planting.

Smokey Says:

Season On Quail,
Ending January 31,
Was Disappointing

The open season for the hunting of quail will end January 31. The 1946-47 season goes down in the books as a disappointment, according to the division of game and inland fisheries. The poor season is attributed to a smaller quail population, plus a 35 per cent increase in the number of hunters.

Holly Springs To Have
Box Supper, Cake Walk

The Holly Springs school will be the scene of a box supper and cake walk Saturday night at 7 o'clock. It has been announced by Principal Sanford Smith. Proceeds will be used toward paying for having the school wired for electricity and for other school improvements.

One of the newer trends in the jewelry field is matched sets of palladium mesh bracelets and ear-rings. Meshed jewelry is particularly appealing in the summer time or in warm climates because of its cool, yet light feeling.
