YOUR CONTRIBUTIONS of dollars and dimes last year made it possible for this young lady to recover from an attack of the dread infantile paralysis. She and her doll (at left) were admitted to the State Orthopedic hospital at Gastonia several months ago. She is Mimi Eve Elliott, daughter of John W. Elliott, R. F. D. No. 2, Shelby. You can help many other such youngsters regain their health by contributing to the annual March of Dimes campaign, which is now under way.

BOY, DROWNED AT SEA, BURIED IN NATIVE SOIL

Billy Thomas Bateman's Funeral Rites Held At Aquone

Billy Thomas Bateman, 20-year old Macon County youth who was drowned off the English coast the night of November 3, 1946, was laid to rest in his native soil last Saturday.

A seaman second class in the navy, young Bateman lost his life when a small boat, to which he was assigned, struck an unlighted buoy and capsized. The boat was plying between the cruiser USS Spokane, the ship on which Bateman was stationed, and another vessel.

The funeral services were conducted at the Aquone Baptist church at 11:30 a. m., with the Rev. T. D. Denny, the pastor, officiating. Interment followed in the church cemetery.

Pallbearers were Robert Parker, Don G. Allison, N. G. Dixon, Harold Enloe, the Rev. B. Hoyt Evans, Andrew Setser, Ford Duvall, and Jack Wood, all members of the American Legion.

The body, which was recovered December 5, was brought to the Potts funeral home here last Friday, accompanied by Ralph J. Ricketti, GM-3c, of Philadelphia, Penn. It remained at the funeral home until Saturday morning.

Seaman Bateman was the son of Mr. and Mrs. George F. Bateman, Franklin, Route 4, formerly of the Aquone section. He was born May 22, 1927, and received his education in the Aquone school and the Franklin High school.

Prior to entering service, he had been employed at Cagle's Cafe and in the shop of the Franklin Press.

He is survived by his parents; seven brothers, Huell, Hubert, George, Jr., Howard, Mack, James, and Edward; and two sisters, Misses Laura and Wanda Bateman, all of the home.

Potts funeral home was in charge of the arrangements.

E. H. Franks Among Those In Business Here 50 Years Ago

In last week's feature story on Franklin 50 years ago, it was impossible to list every firm doing business here at that time, and only those were mentioned whom the then editor classed as "leading".

One name was omitted, however, which should have been listed, that of E. H. (Lish) Franks, since he was one of Franklin's pioneer business men. The story also failed to make clear, in referring to R. H. Jarrett and Sons as hotelmen, that the Franklin hotel of that firm was under the management of H. H. (Ham) Jarrett.

Cub Scouts To Meet On Sunday Afternoon

The Club Scouts will meet Sunday afternoon at 4:30 o'clock at the Methodist church, and R. E. McKelvey, cubmaster, emphasized that all cubs and their parents are invited. Any boy between the ages of nine and 11 who is not a member also is invited to attend the meeting, and bring his parents along.

Baptist Pastors To Hold Meeting Here February 3

Pastors of the Macon County Baptist association will hold their next meeting February 3 at the Franklin church, when the Rev. W. L. Sorrells will lead a round table discussion. The Rev. R. F. Reed will conduct the devotional.

Dr. Thom N. Carter was recently named as the group's chairman for the coming year. Mr. Sorrells is the new vice-chairman, and the Rev. G. E. Scruggs is secretary and treasurer.

A Surry County farmer has recently increased the daily milk production of his family cow by three quarts with temporary grazing.

In farm fire-fighting, the first five minutes are the most important.

Eleven Wilkes county farmers have signed contracts to grow Turkish tobacco in 1947.
