BUY FERTILIZER NOW, SUGGESTS COUNTY AGENT

Indications Are It Will Be Short Again This Spring

By S. W. MENDENHALL
(County Agent)

Indications are that fertilizer is going to be short again this spring. Farmers should determine their fertilizer needs now and make their purchases, since most of the dealers are well stocked at the present time. Don't wait until the day before you intend to seed oats or plant corn or potatoes to buy your fertilizer. Your dealer may not have any on hand that particular day.

When buying fertilizer, insist that the nitrogen and potash content be as high as possible. The nitrogen is indicated by the first figure in the analysis and the potash is the last figure.

For instance, in a 100-pound bag of 4-8-8 fertilizer, you would receive 4 pounds of nitrogen, 8 pounds of phosphorus and 8 pounds of potassium. There would be a total of 20 pounds of fertilizing elements in this analysis fertilizer. No complete fertilizer should contain less than 20 pounds of plant food to the hundred pound bag.

In estimating your fertilizer needs, consideration should be given to the shortage of nitrogen for side dressing. A high nitrogen and potash fertilizer will pay dividends as a side dressing.

Corn yielding 50 bushels to the acre removes 83 pounds of nitrogen, 36 pounds of phosphorus, and 57 pounds of potassium from the soil. If you depend entirely on commercial fertilizer to supply this plant food it would require 500 pounds of 4-8-8 fertilizer, 400 pounds of nitrate of soda, and 40 pounds of murate of potash per acre.

It has been found that corn does not fire as badly where enough fertilizer is present in the soil as it does when there is a shortage of fertilizer. Heavy fertilizing pays by increased yields. Buy plenty of fertilizer now.

DEATH CLAIMS MRS. BINGHAM

Funeral For Macon Native Conducted At Clark's Chapel Church

Mrs. W. A. Bingham, a native of Macon County, died at the home of her son, Lawrence Bingham, of Franklin, Route 1, March 2 at 12:15 a. m. She was 81 years of age.

Mrs. Bingham had been confined to her bed for about 14 months, and her condition became critical about a month ago.

The daughter of Mr. and Mrs. Jim Fulcher, she joined the Union Methodist church at Prentiss when she was a girl. She later moved her letter to the church at Rabun Gap, Ga.

Funeral services were held at Clark's Chapel Methodist church March 3 at 3 p. m., with the Rev. V. N. Allen, assisted by the Rev. Mr. Slagle, officiating. Interment followed in the church cemetery.

Pallbearers, all grandsons, were William, Ebielee, Claude, James, Frank, and Max Bingham and Clarence and Paul Teague.

Her granddaughters — Nell Ramey, Myrtle and Rep Teague, and Mattie DeMore — were flowerbearers.

Survivors include three sons,

To Get More Eggs, Provide Empty Feed Sacks, Says Berry

To get better egg production, hang your empty feed sacks in the poultry house. That's the advice of J. R. Berry. The suggestion is based, he explained, on his own recent experience. In the poultry house at his home, Franklin, Route 4, Mr. Berry said, he recently hung an empty sack, about five feet from the ground. In it, he dumped a lot of other empty sacks. Just the other day, he saw the heads of two of his hens sticking out of the top of the sack that was hung up. He investigated, and found 17 eggs in the sack. And every day since, he added, seven hens have ig-

Lawrence, Arthur, and Jim Bingham; two daughters, Mrs. Elbee Teague and Mrs. Bessie Taylor; 23 grandchildren, and 22 great-grandchildren.

Wants To Learn Of Any Church Without Minutes

If any Baptist church in this county has not received its copy of the 1946 minutes of the Macon Association, the church is asked to notify Mrs. C. C. Welch, association clerk.

THANKS

We wish to express our heartfelt thanks and deep appreciation for the many friends of Macon County who so gladly and generously came to our aid in a time when they were so much needed. We shall never be able to repay in words or deed; but the God of all Joy will richly repay for every kind word or deed of mercy. Man plus God is still working wonders. Thank you, all our friends.

Sincerely your friends,
Mr. and Mrs. W. C. Pipes

nored the orthodox nests he had provided for them, preferring to fly up to the sack, get inside, and lay there.

You're MILES AHEAD with the tire that OUTWEARS PREWAR TIRES

Look who's talking! And this time it's not we tire dealers. It's the public telling us a thing or two ... about the tires we sell. Since two months after V-J Day we've been telling the world about our new postwar B. F. Goodrich Silvertown tire ... the tire that OUTWEARS PREWAR TIRES. And now the public's telling us in letters and testimonials how right we were. If your car needs new tires, come in today ... you'll want this longer mileage Silvertown on every wheel. It's best in the long run.
